INGRAM HEARING...supervisors listen to testimony Monday morning from Peter DeMarsh (far lower left corner), former manager at Ingram.

(Echo staff photo by Marileen Maher)

Board Holds Hearing On Ingram Explosion

by Adoree Shortle
Echo staff writer

Ingram Industries officials from New Orleans and the Kiln plant appeared Monday before Hancock County board of supervisors at a hearing called by the board on the recent explosion and fire at the plant which caused the deaths of five women employees.

An overflow crowd lined the walls of the board room for the hour-and-a-half hearing in which five Ingram executives, past and present, a U.S. Department of Justice official, Hancock Sheriff Sylvan Ladner and three Kiln residents testified concerning the county's most recent disaster. Although board president Alton Kellar and board attorney Ruble Griffin explained that the purpose of the hearing was to determine what or diminishes the county should adopt regarding supervision of similar types of operations, the crux of the investigation seemed to center around the possibility of hazardous conditions at the Kiln plant, suspected to be the cause of the explosion.

Griffin's questions to plant officials and their answers

Program Nets Arrests

Earl Riley, Executive Director of the Mississippi Coast Crime Commission, which is co-sponsoring the TIP (Turn In a Pusher) program with the seven Coast Chambers of Commerce, reports that since the inception of this program on November 19, 1971, 540 valid calls have been received and 50 arrests may be attributed to these tips.

Riley said, "I think it is important that we reiterate that investigations are continuing on many of the tips which have not as yet resulted in arrest. An investigation involving narcotics can be an extremely complex, tedious and time-consuming operation. It is important that those individuals furnishing tips provide as much specific and detailed information about the pusher as possible. This will greatly expedite the arrest."

"We want to commend the general public for their enthusiastic and continued response in providing information under this program. We want to also encourage our young people through the school summer vacation period to continue to cooperate in furnishing all information regarding pushers available to them. The police are providing excellent services through their narcotic investigations within the limits of their manpower and resources. They deserve total public and governmental support."

According to Riley, the Crime Commission and the participating Chambers of Commerce are most anxious to pay rewards for this tip information following conviction of the pusher. Riley said, "If anyone has any information please call one of the tip lines. In Hancock County the number is 487-3401; in Harrison County 863-3401; and in Jackson County 873-3104."

JUNIOR POLICE
The Junior Police Association will meet at 10 a.m. Saturday at the police station.

were consistently parried or halted by Walter Phillips, an Ingram attorney, indicating that any description of the plant operation or discrepancies in safety regulations were a closely guarded secret.

Griffin explained at the opening of the hearing that the county government was restricted by state laws to a limited scope of inquiry, and that the county board was authorized to subpoena witnesses only to testify in cases coming under county jurisdiction.

Little was accomplished by the lengthy hearing as for the most part the Ingram witnesses as well as Jack Hunter, Dept. of Justice official, were reticent and uniformly non-committal in their statements.

Hunter told the board that a weeds and underbrush report of his findings would be creating a fire hazard, and that turned over to his superiors inflammable and explosive and that it was not within his jurisdiction to divulge any and lead styphnate, should be information outside of his stored in underground, concrete receptacles.

Sheriff Ladner reiterated Phillips asked Ladner if any earlier statements to the press, buildings or structures in the expressing a lack of vicinity of the plant, other than cooperation by Ingram plant buildings, were managers at the time of the damaged by the fire. Ladner fire. Ladner said he felt that if answered none that he knew of. he had been apprised sooner of Peter De Marsh, former the pyrotechnic materials on plant manager and executive the plant grounds he and about vice-president of the company 40 other men would not have for five years, told the board suffered the "violent physical and respiratory reactions" to closely follow a federal government manual setting forth operational procedures for.

Ladner's recommendations to the board were that the grounds should have been better kept regarding high

(Continued on page 5A)

Commission Suspends Power Rate Increase

The Mississippi Public Service Commission today issued an Order suspending Mississippi Power Company's rate increase that was to become effective July 1, 1972. The Commission stated that the Order of Suspension was prompted in order to prevent the rate increase, as applied for, from becoming effective July 1, and to allow ample time for a full and complete investigation of the proposed rate increase application by the Gulfport based Mississippi Power Company.

Commissioners D.W. Snyder, John L. Dale, and

Norman A. Johnson, Jr., in a joint statement stated "The Mississippi Power Company filed a rate application with the Commission on May 31, 1972, to become effective July 1, 1972. It is therefore necessary that we suspend this request for increased rates in order that the Commission will have adequate time to conduct a complete analysis of all phases of Mississippi Power Company's operation and to determine if the request is justifiable under Mississippi law."

We note from the proposed filing that the Power Company

indicates the rate increase will produce \$2.6 million in additional annual revenues or approximately 4.3 per cent, and further, according to Mississippi Power Company's statement, does not exceed the guidelines established by the Federal Price Commission, pursuant of the Economic Stabilization Act of 1970, and the Presidential Executive Order."

The Public Service Commission Staff has been instructed to immediately proceed with their investigation and financial study of Mississippi Power Com-

pany's rate base. The Suspension Order, effective July 1, 1972, covers a period not to exceed 90 days, unless otherwise ordered by the Commission. The Commission further directed the Power Company to make available to the Commission staff all reasonable assistance and records deemed necessary in carrying out its assignment. The Power Company rate case is returnable at the Commission's July 4, 1972, meeting at 10:00 a.m., at 1105 State Office Building, Jackson, Mississippi.

Data Buoy Towed To Sea

A 100-ton, sensor-packed buoy was towed to sea Wednesday to monitor and report environmental conditions in the Gulf of Mexico. The unmanned, electronically operated platform is the first in a test buoy network planned by the National Oceanic and Atmospheric Administration (NOAA).

The buoy, one of six developed by General Dynamics for NOAA's National Data Buoy Project, was towed 225 miles to sea by the Coast Guard cutter Acushnet and will be moored in 8,000 feet of water.

More than 100 battery-powered sensors, provided by Westinghouse Electric, will collect ocean and atmospheric data. The sensors are located on the buoy's 33-foot high mast, on the steel hull and at varying

depths on the two-mile deep nylon mooring line.

Transmitters aboard the 40-foot wide buoy will report the data, on command, to a Coast Guard shore station in Miami. The information received will include a wide range of undersea, surface, and air measurements which will be relayed to such activities as NOAA's National Meteorological Center, the National Marine Fisheries Service, U.S. Navy and others.

Four other buoys will be deployed in the Gulf later this summer as part of the project's engineering, experimental phase. The buoys will provide faster, more accurate hurricane warnings and will

also report weather information useful to fishing fleets, resort operators, farmers and other weather-affected businesses.

Each buoy is designed to withstand 175-knot hurricane-force winds, 60-foot waves and currents exceeding 10 knots. It can operate without maintenance for more than one year on a diesel, powered electric generator.

General Dynamics' Electro

Dynamic division in San Diego was awarded a \$5.5 million contract by the Department of Commerce in April, 1971, for development of the buoys. The company's experience in large disc-shaped buoys dates back to 1960 and includes more than 20 years cumulative at-sea time for its data and navigational moored platforms.

Council Approves Development Plat

The Bay St. Louis city commission council approved a plat for Washington Heights subdivision Monday upon recommendation of the city's Planning and Zoning Commission.

The low-income housing development is located on Washington St. between Old Spanish Trail and Highway 90. Mayor Warren Carver, who voted against the approval because "the developers have dug large ditches throughout the area which are now being used as dumping spots." According to Carver, the city cannot maintain its ditches now and will also have to be responsible for the ones in the subdivision.

When asked by Commissioner William Frisbie if he (Carver) had studied the plat, the Mayor admitted that he had not.

Commissioner Andre Arceneaux voted for approval of the plat stating, "this community needs low-income

housing and the taxation received will compensate for the maintenance of that area."

Frisbie, who also voted for approval, said that the developers have provided water, gas and sewer lines for the area and the city can only benefit from the use of these services. "Also, the developers have constructed a lift station which will one day be of benefit to every house in that vicinity," Frisbie concluded.

In other city business, a motion by Frisbie to replace city building inspector Burton D. "Flip" Johnson died for a lack of a second. In making the motion, Frisbie said that he did not feel that Johnson was doing discrepancies in his inspections. "It is amazing to me how Johnson can find an 11 inch mistake in concrete slab but fails to notice that a large warehouse is being built in a residential neighborhood."

The council will hold its next regular meeting Monday at 7 p.m. in city hall.

Support Given New Explosives Industry

Peter DeMarsh, former plant manager at Ingram Industries, was given verbal support from four supervisors Monday to go ahead with plans for an explosives plant to be built in the northern part of the county.

DeMarsh will head the firm, Hancock Industries, and assured supervisors that he needed the support of the board before he could go ahead with his project.

Beat one supervisor Jerry Ladner said he could not give his support until he determined the cause of the recent explosion at Ingram. However, board attorney Ruble Griffin pointed out that the supervisors had no legal means to stop the industry even if they wanted to.

Board president Dolph Kellar emphasized that he was in favor of industry for this county and offered his complete support to DeMarsh. Supervisors James Travira, Oscar Peterson and H.G. "Bully" Zengarling reiterated Kellar's position but Ladner refused saying, "I am interested in the safety of the

people of this county and plained the program to the board and asked that supervisors begin immediately to help DeMarsh after the Ingram investigation is completed and if the fault does not lie with the plant's operation."

In other business at Monday's recessed meeting, the Commission and a resolution to change the name of the county (Neighborhood Youth Corps) Airport from Gulf Central program, Joe Rouse, NYC project director of Harrison and Hancock Counties ex-

on June 26 at 9 a.m.

Fun House Will Close Sunday

Bay Waveland Junior Auxiliary's Summer Fun House activities will end Sunday with Open House for the public. The program this summer consisted of classes in tennis, arts and crafts, baby-sitting, softball, dancing, volleyball, bowling, self-improvement, theatre, baton, badminton and ping-pong.

Awards will be presented in each category as well as a display of the accomplishments of the children attending.

St. Joseph's Gym is the place to be at 2 p.m. Sunday. This will close the doors to the Junior Auxiliary Fun House for 1972.

BENEFIT MATCH
There will be a benefit shooting match June 24 for Clayton Fricke who recently underwent three major operations. The match will be held all day on Lower Bay Road near Highway 90. Food will be sold.

DR. MICHAEL SMITH, Hancock County Port and Harbor director, gave a progress report at the Chamber of Commerce dinner Tuesday night. Smith explained the past achievements of the port and harbor and touched on future plans for industrial development in the county. The dinner was attended by Chamber members and their guests, and county and city officials.

Tips To Veterans And Dependents

PREPARED BY CHESTER CURVEY HANCOCK COUNTY VETERANS SERVICE OFFICER

Under no circumstances proceed to a V.A. Hospital with a patient who HAS NOT BEEN AUTHORIZED ADMITTANCE. In the first place he may not be admitted and if an ambulance is not authorized the V.A. will not pay for the ambulance. Dependents of Veterans are not entitled to Veterans Administration Hospitalization.

The admission priorities for Veterans needing hospitalization in a V.A. Hospital are as follows:

FIRST PRIORITY: Veterans needing treatment because of injuries or disease incurred in or aggravated in the line of duty in active service, have top priority for admission for treatment of the service incurred or service aggravated disability.

SECOND PRIORITY: Veterans released from active duty for disability incurred or aggravated by military duty who are receiving compensation and those who would be eligible for compensation, except that they waived same to receive retirement pay, or other reasons, and who need

treatment for some ailment connected with the service. **THIRD PRIORITY:** Veterans with service during any war, the Korean conflict, the Vietnam era, the Post Korean Period, service after Jan. 31, 1955 and Veterans with non-service connected disabilities, and all Veterans 65 or older not eligible under the first two priorities, are priority three. This group must meet the following conditions:

a. Hospital treatment is deemed necessary by the V.A. Admission Physician. The best procedure is to have your private Physician call the

admitting Physician and tell him why you should be admitted.

b. BEDS AND TYPE OF TREATMENT MUST BE AVAILABLE AT THE V.A. FACILITY.

c. The Veteran must sign an oath statement that he is unable to defray the expenses of comparable Hospital treatment, unless he is 65 or older or in receipt of pension for non-service connected disabilities.

Women Veterans who served prior to Feb. 1, 1955 and during a period of war, needing treatment for a Non-service connected disease or injury may be authorized admission to a private State or Municipal Hospital preferably those under V.A. contract, if no other Government facility is available or transfer thereto is not medically advisable or economical.

Bay St. Louis Police Report

467-9221

Bay St. Louis police responded to 42 calls during the period from June 7 through June 13.

Batteries were reported stolen June 8 from employees autos at the Eljer Plant on Central Ave.

Two cars collided on Sycamore St. on June 10 but no injuries were reported.

Two automobile tape players were stolen in separate incidents over the weekend. One was taken from a car belonging to Denise Kolstad on Washington Rd. Saturday. The other was stolen Sunday from an auto owned by Charles Favre while it was parked in front of the Star Theatre.

REMINDERS
Schol is out-watch for children

playing in the street. Have a safe, accident-free summer.

Drivers are asked to observe a 10 mph. speed limit when driving near Commagere Park and McDonald Park while games are in progress. Chief William Carbonette warns that these speed limits will be strictly enforced.

All playgrounds have "Children Playing" signs. Please observe and obey these signs.

Encourage your children to join the Junior Police Assoc. The association meets every Saturday at 10 a.m. at the police station in the Valena C. Jones Building.

Eljer To Participate In Jobless Program

Two Mississippi firms will hire and train 100 jobless persons under the Job Opportunities in the Business Sector (JOBS) program. The U.S. Department of Labor's Regional Manpower Administrator William U. Norwood, Atlanta, said federal funds have been approved for the projects.

Litton Ship Systems, Inc., November 14, 1973.

Earn \$2.40 to \$8.71 an hour.

Work one weekend a month and two weeks each summer in the Reserve.

The Army Reserve. It pays to go to meetings.

It takes about four tons of air to make a ton of iron in a typical blast furnace.

Current spending plans will push the American steel industry's total expenditures for pollution control facilities to over \$1.5 billion since 1951.

Mrs. Joe Krafka and son Joey arrived Saturday from Brownsville, Texas, to visit for a while with her parents Mr. and Mrs. Albert Becker at their Chartes Street home.

Colling's Corner

By E.S. Colling
City-County Library Writer

Less than a hundred years ago, as spring and early summer brought out the full beauty and bounty of the Gulf Coast, "the season" was just getting under way at the popular watering places along the shore.

Take the weekend of June 15, 1872, for example. The hotels and boarding houses along the beach road were all open, their kitchens well stocked and their social rooms spic-and-span, the ravages of war were slowly disappearing from the countryside, we can almost hear the hammers and saws ringing on new construction of houses and wharfs. The steamers plying between Mobile and New Orleans were now making daily stops at the town dock down by the big hotel, unloading the first summer visitors and crates and barrels without number. The town blacksmith already had seen to the shoeing of his horses and the refurbishing of the surreys and carriages which the summer folks would soon be driving up and down the long shorefront and deep into the piney woods even as far as The Kiln or over to the Pearl River settlement.

On this day, the finishing touches were just being put on the church of Our Lady of the Gulf, adjacent to the older building of the Convent of St. Joseph which had been completed six years earlier. Classes were being held in the nearby college of St. Stanislaus. Fishing boats dotted the lake, as the body of water between old Shiloh-shorough and Henderson Point was called, and further west the fishing camps at Chef Monteur and the Rigolets were being made ready for the summer influx of anglers.

Trumpets In The Morning

by Perry D. Neal, Pastor
First Baptist Church, Bay St. Louis

THE WILL OF GOD
We may know the will of God by our own common sense. You can sit down and figure out many things for yourself. You may say, "that isn't being spiritual." But who do you think gave you those brains to figure with? Who gave you the ability to reason, to discern, to think? It was God, was it not? Remember this principle. God will never reveal His will to you in some special way if at birth He has already equipped you with the faculties to know His will. You would not glorify God by standing on the street corner and praying for Him to tell you what time it is, if He has given you eyes with which to see, money enough to buy a wrist watch and intelligence enough to tell time. Don't pray about it. Just look at your watch. If your church is in an evangelistic endeavor and you meet and unsaved friend on the street, you need not pray about witnessing to him and inviting him to church. Just do it. Your common sense will dictate that. If the light is red, don't pray about stopping. Stop. If it is green, don't pray about going. Go. If God has equipped you with the physical abilities to learn His will, it will not come to you in a special way. Finally, and most important of all you will know the will of God when you know God.

Examine the word Know. It is a precious word and has the deepest meaning for the Christian. The Apostle Paul had a desire to live a life of constant fellowship with his father. He wanted his desires, timber or other services available you should contact to County Forester Hendry at 467-458 or 255-7152.

Forester's Report

Selective thinning of timber stands, according to Forester Hendry of the Mississippi Forestry Commission, is of vast importance to Hancock County landowners.

Regular thinnings are needed to insure a good growth rate on your timber. The objective of thinning is to leave a well spaced stand of trees that will produce valuable wood at the best rate possible.

By selectively thinning a stand, the landowner receives an immediate income from the products marketed while improving his stand of timber for future growth and developing the final result of a selective thinning is more high quality timber that will bring a higher price on the market.

According to Forester Mike Hendry, "The Mississippi Forestry Commission has been selectively marking private timber holdings for several years." He remarked that he can mark up to 40 acres per landowner per year free, while teaching the individual how to mark his own timber. He stated that additional marking can be done by the Forestry Commission on an actual cost basis.

For more information on the selectively thinning your timber or other services available you should contact to County Forester Hendry at 467-458 or 255-7152.

County Agent Notes

JUNE DAIRY MONTH

June has been set aside as a month in which the dairy industry will be honored. June Dairy Month is sponsored by the American Dairy Association of Mississippi within the state. This year marks the 39th year of celebration of this event.

Who are the dairy farmers in Mississippi? There are about 3,500 dairymen who produce pure, good quality, clean milk for you and your family every day. Yes, every day of the year, Saturdays, Sundays, holidays and in all weather. The dairy farmer must milk his cows twice daily, therefore, his normal work day begins hours before daylight, and while most of us are still asleep, the dairyman has already completed several hours of his work day.

The dairyman has a tremendous investment in his operation, and in the past few years the price of all his equipment has increased greatly. Due to the amount of capital necessary in the dairy business, the dairy farmer must be a person who has a working knowledge of capital and financing. He must also be familiar with some legal aspects, especially in respect to marketing. The marketing of milk involves a somewhat complicated mechanism and dairymen must have some degree of competence whether he markets his milk individually or through a dairy marketing cooperative.

With 186,000 dairy cows used to produce milk in Mississippi, herd health problems are naturally expected to be encountered at one time or another. So the dairy farmer depends on his veterinarian, but there are times when Mr. Dairy Farmer, D.V.M. Therefore, it is necessary that he know something relating to making a living, raising physiology and the health of children and keeping their houses in order. So, though "old times always look best," it's a question who had the better life, the folks of 1872 with their post-war problems or the folks of a hundred years later with the serious problems that the dairyman must be a which now confront us. But the well diversified man.

When you purchase fluid milk or dairy products from the shelf of the store or receive them on your doorstep, it is obvious that someone must take this supply of milk produced by the dairy farmer and process it. There are about 25 dairy processing plants operating in Mississippi that carry out this job, but even before distribution takes place there is a group of people who transport the milk from the farm to the processing plants. These people play a vital role in the industry. The quality of milk produced on the farm is maintained throughout the entire distance hauled. This is made possible through the use of refrigerated trucks, another expensive item used in the marketing process.

Constant tests on the milk are conducted to insure the consumers that they are receiving good, clean, wholesome milk. These tests begin with the cows before they are ever placed into the milk herd and are maintained throughout the entire process.

Once the milk is received by the processor it becomes his responsibility to maintain the quality of the milk. To do this, he must maintain expensive equipment for processing, and like the dairy farmers' equipment, the processor can conduct a battery of tests to insure the consumer that the milk placed on the market will be of the highest possible quality.

The processor must first clarify the milk to make sure it is absolutely clean, pure and wholesome. He then must convert the raw milk into the form demanded by the consumer.

The distribution system is a highly expensive and complex operation within itself. Package milk and milk products must move to the market channels through expensive refrigerated trucks, because constant quality must be maintained from the processor to the wholesale outlets. The processor assumes the responsibility of marking the price on the carton and piling the outdated products. These returns, in an attempt to keep the milk fresh for the consumer, are also an expensive service to the processor.

Milk and dairy products undergo many tests to insure that the highest quality milk is produced on dairy farms and that this quality is maintained throughout the marketing system. When the purchase of milk is made at the store or at your doorstep you can be assured that every attempt has been made to bring to you a top quality product.

MRS. AGNES W. THOMAS

Mrs. Agnes Webb Thomas, 73, Rt. 1, Bay St. Louis, died at 3:35 a.m., Monday at Hancock General Hospital.

Born November 17, 1898, in Kidderminster, Worstershire, England, Mrs. Thomas resided in Bay St. Louis for the past 20 years. She was a member of Annunciation Catholic Church, Kiln, VFW Post 6285 Ladies Auxiliary, Kiln. She was the widow of Robert B. Thomas Sr.

Survivors are two daughters, Roberta B. Thomas and Mrs. Hugh A. Schuler, both of Kiln; two sons, Robert B. Thomas and Gerald J. Thomas, both of New Orleans; seven grandchildren and two great-grandchildren; a brother, George Webb, Philadelphia, Pa.; and two sisters, Miss Margaret Webb, Philadelphia, and Mrs. Veronica Evanoff, Albuquerque, N.M.

Funeral services were held at 10 a.m. Tuesday from Riemann's Fahey Funeral Home chapel followed by interment in St. Louis Cemetery No. 3, New Orleans at 2 p.m.

MRS. DOLLY G. LANG

Mrs. Dolly Gertrude Fulton Lang, 95, a native of Covington, La., and a resident of Bay St. Louis for 30 years, died Thursday morning at Hancock General Hospital.

She was a member of the Morning Star Baptist Church. Survivors include seven sons, Melvin Lang, Pasadena, Calif.; Robert, David and Gus Lang, all of New Orleans; Homer and Smiley Lang, both of Sacramento, Calif.; and Jimmy Lang, Bay St. Louis; three daughters, Mrs. Laura Eizana, Pass Christian; Miss Trudy Lang, New Orleans, and Mrs. Edwina Shepherd, New York City; 56 grandchildren, 50 great-grandchildren and 18 great-great-grandchildren.

Funeral services were held at 10 a.m. Tuesday from Morning Star Baptist Church with Rev. Joseph Harris officiating. Interment was in Kiln Cemetery.

Report from capitol

Senator John C. Stennis (D-Miss.) today explained the purpose and scope of a recommendation to move a retirement home for Navy and Marine Corps veterans from Philadelphia, Pa. to Gulfport, Mississippi.

Stennis, Chairman of the Senate Armed Services Committee said the Navy had determined that cost of renovating the Philadelphia home was too great and prospects for expansion in Philadelphia were too limited to meet projected requirements for the home.

"The Navy, at the request of the Senate Armed Services Committee and in accordance with legislation passed by Congress last year, completely reviewed its needs and based its recommendation to move to Gulfport on the availability and desirability of existing government-owned property in that area," Stennis said.

"We believe, and a Navy agrees, that moving the Naval Home what was once the Gulf Coast Military Academy will allow the Navy to expand its services and capabilities at minimum cost to the taxpayers."

"Modifications and construction projects to bring the installation up to required standards and to meet projected needs will cost the federal government some \$11 million, much of that to be spent in Mississippi, and will mean the influx of additional personnel to fill jobs created by the establishment of the Home," Stennis said.

Chairman Stennis, who has closely followed the project for some three years, was apprised of the Navy's final selection of Gulfport as the site for the Home in a letter from Navy Secretary John Warner last week.

The property to be converted into the retirement center if the proposal gains congressional approval is currently managed by Keeler Air Force Base and is known as Keeler Annex No. Three. Air Force and civilian personnel now stationed at the annex will be transferred to the main Keeler base in Biloxi with no loss of jobs or personnel.

"The Navy carefully studied five other possible sites for the facility, but the Gulfport location proved best to satisfy the Navy's needs," Stennis said.

Our readers write

Dear Sir,

I want to express my appreciation to the members of the reorganized Bay St. Louis Fire Department, who so efficiently extinguished the fire in the home of my neighbor, Dr. Paul Pursley. In this area of several nearby homes, it was terrifying to see the tremendous amount of billowing smoke, which they so quickly brought under control.

How comforting it is to know that our lives and our homes are being so well protected.

Mrs. C.R. Beyer
410 Carroll Ave.

A VA neuropsychologist, Maurice Sterman, Ph.D., was apparently having successfully trained several patients to control grand mal epilepsy so quickly brought under control.

DEATHS

MRS. MAGGIE A. FRIERSON

Mrs. Maggie Amelia Frierion, 70, wife of the late Isaac Frierion, died at 3:45 a.m., June 6, in Nicholson, Miss.

Mrs. Frierion, born November 3, 1901 in Poplarville, Miss., was the daughter of the late Pierre and Emily Fornea Malley.

Survivors include a step-son of the late Frierion, Memphis, Tenn., three brothers, John, and Joe Malley, both of Bogalusa, La.; and Clarence Malley, Orange Park, Florida; three sisters, Mrs. Mary Smith and Mrs. Daisy Goings, Bogalusa, and Mrs. Viola Bridges, Poplarville.

Funeral services were held Wednesday afternoon from McDonald Funeral Home, Piquemore, with Rev. Wilson H. Preshar and Rev. Boutwell officiating. Interment was in Turtleskin Cemetery.

THOMAS E. VAUGHN

Thomas Emmett Vaughn, a native of Logtown, Miss., and resident of Pearlinton, Miss., for the past nine years, died at 4:20 a.m. June 10 in Sidel Memorial Hospital.

He was the husband by first marriage of the late Mrs. Edna Lewis Vaughn and son of the late Willis and Rosa Leonard Vaughn. Survivors include his wife, Mrs. Juanita Aguilard Vaughn; three step-sons Earl, Allen and Eldridge Recasner; two sisters, Mrs. Sadie Keyes and Mrs. Juanita Johnson; two daughters, Mrs. Melvin Lang, Pasadena, Calif.; Robert, David and Gus Lang, all of New Orleans; Homer and Smiley Lang, both of Sacramento, Calif.; and Jimmy Lang, Bay St. Louis; three daughters, Mrs. Laura Eizana, Pass Christian; Miss Trudy Lang, New Orleans, and Mrs. Edwina Shepherd, New York City; 56 grandchildren, 50 great-grandchildren and 18 great-great-grandchildren.

Funeral services were held at 10 a.m. Tuesday from Morning Star Baptist Church with Rev. Joseph Harris officiating. Interment was in Kiln Cemetery.

JOHN MEGGS

John Meggs, a native of Waveland, died June 7 at University Hospital, Jackson.

"Mr. Meggs had no immediate survivors."

Funeral services were held at 10 a.m. Monday from Hall's Funeral Home Chapel, Bay St. Louis, followed by religious rites at St. Rose de Lima Catholic Church with Rev. George Heffner, pastor, officiating. Interment was in Cedar Rest Cemetery.

SHELL PLANTING

In 1971 (3 inches) in 20 months, follow-up studies on the 1970 shell plantings were completed. During 1970, 117,000 barrels of clam shells were planted in Heron Bay in Hancock County, the area off Waveland in Hancock County, and Henderson Point dredging reef in Harrison County.

Oysters growing on clam shells planted off Henderson Point reached marketable size.

The Marine Conservation Commission planted 26,250 barrels of clam shells in 1971. This work was done under contract with a private firm and completed within a weeks time.

PRESIDENT'S LIST

The President's List, top academic honor roll at the University of Southern Mississippi, has been released for the spring quarter.

To make this list, a student must have a 4.0 scholastic average (all A's) on a minimum study load of 15 quarter hours work.

Included on the list are from Bay St. Louis - Marcell J. Languirand and Robert Charles Stroh; Waveland - Connie Lea Hanks.

FIRE TRAINING
A course in the chemistry of fire is now underway at the Bay St. Louis Fire Department. One session was held June 14 and the second and final session will be held June 21.

Bay firemen have also requested a medical self-help training course which will be held in four sessions during June.

Any written release given to the Echo for publication must be accompanied by the name and phone number of the person submitting the information. No release will be used without this information.

A FUND has been established for the benefit of Eric Necaise, former Bay St. Louis policeman, who will soon undergo a serious operation. Cost of the operation alone is estimated at \$10,000. An account has been opened at Hancock Bank and all donations may be mailed to Mrs. Frederick Langbein, 231 Melody Lane, Bay St. Louis in care of the HELP ERIC FUND.

Veterans are urged to write, call or visit Veterans Administration regional offices or local veterans service organizations for information or assistance in applying for veterans benefits.

VA officials noted on the June 16th anniversary of the current GI Bill that enrollments of 3.3 million already exceed the 2.4 million reached under 13 years of the

preceding Korean GI Bill. VA's highest research honor, the William S. Middleton Award, was presented recently to Dr. Marcus Rothchild for work on pathological biochemistry of the liver in alcoholism and other liver diseases.

MR. AND MRS. MICHAEL SCHMITT III

Schmitt-Usher Exchange Vows

Miss Tien Tse Ann Usher, daughter of Mr. and Mrs. August F. Usher Sr. of Lower Bay Road, became the bride of Michael Albert Schmitt III, son of Mr. and Mrs. Schmitt Jr., of Clermont Harbor at a Nuptial Mass in St. Ann's Rectory Sunday, June 4.

Rev. Canisius Hayes, pastor of St. Ann's Catholic Church, Clermont Harbor, performed the double ring ceremony. Given in marriage by her father, the bride wore a floor length gown of white flat crepe fashioned with an empire bodice, sweetheart neckline and elbow length sleeves. Her finger-tip veil of illusion was held in place by a headpiece of white flowers studded with pearls and tiny stones. She carried a bouquet of white daisies and baby's breath centered with a white orchid corsage. Her bridal dress was designed and made by her sister Debi Amba.

Miss Kavin Usher was her sister's maid of honor. She wore a white lace floor length gown over satin fashioned with a bustle trimmed with blue ribbon and carried a bouquet of

blue daisies. Raymond Schmitt, brother of the groom was best man.

Following the ceremony a small reception was held in the home of the bride for members of the immediate families.

A color scheme of blue and white decorated the bride's table, centered with a three-tiered cake trimmed with white spun sugar roses.

The bride's mother chose for the occasion a blue lace dress, matching accessories and a corsage of white roses. The mother of the groom wore a white dress trimmed in navy and red and a red rose corsage.

For her wedding trip the bride wore a white dress, white accessories and the orchid corsage from her bridal bouquet.

The bride is a 1972 graduate of Hancock North Central School where she was a member of the Beta Club.

The groom, a 1971 graduate of North Central, is presently employed at Diamond Head. The couple will make their home at 350 Henderson Avenue, Pass Christian.

Echoes

Mrs. George L. Seuzeneau Jr. left Saturday by plane from New Orleans for New York; where she was joined by her daughter Dianne who resides there.

They left Sunday for London, England, for a four day visit with Mr. and Mrs. Kit Moly prior to flying to Rome where they will have a private audience with the Pope. They will then go to Paris for several days and from there by air to Frankfurt, Germany, where they will be met by her son-in-law and daughter Mr. and Mrs. William R. Bullard, and daughter Michele. They will visit for several weeks with the Bullards and tour areas of interest. For her return trip she will be joined in Europe by another daughter Vallon of Denver who will accompany her home.

NOELLA WILLIAMS, daughter of Mr. and Mrs. Douglas Williams of Bay St. Louis is the recipient of the American Legion Award at St. Rose de Lima School.

(A Gerry Lane Enterprise) Adv.

"To the voters of Hancock County... Thank you."

"My thanks to the thousands of volunteer workers who made it possible for us to lead the 10 man ticket in the Fifth Congressional District Democratic Primary with 28.5% of the total vote.

"We received the majority of the vote in George, Greene, Hancock, Harrison, Stone and Wayne Counties, and received a very strong vote in Lamar, Forrest, Jackson, Jones, Perry and Pearl River Counties.

"I am especially proud that I led my home county of Harrison by 51% of the vote.

"The issues in the second primary are busing, increase in social security payments, rising prices and inflation, securing the support for our district and adjusting the tax inequities of the working man.

"I invite the supporters, workers and friends of the eliminated candidates to please work for and go to the polls on Tuesday, June 27th and help elect Ben Stone congressman."

NOTICE

OF

TRUSTEE'S SALE

WHEREAS, on the 28th day
of May, 1971, W.D. Harrison
executed a Deed of Trust to
Walter J. Phillips, Trustee,
to secure an indebtedness therein
mentioned to Merchants Bank
& Trust Company which Deed
of Trust is recorded in Vol. 153
pages 403-405 Records of
Mortgages and Deeds of Trust
on Land in Hancock County,
Mississippi, and
WHEREAS, the said in-
debtedness so secured is past
due and unpaid, and
WHEREAS, the holder of
said indebtedness having
requested me, the undersigned
Trustee, to foreclose said Deed
of Trust,
NOW THEREFORE, I will,
on Monday, June 19, 1972,
between legal hours offer for
sale and sell to the highest
bidder for cash, in front of the
Hancock County Courthouse door
of Hancock County,
Mississippi, the land situated
in Hancock County,
Mississippi, and described in
said Deed of Trust as follows,
to-wit:

Located in the East half of the
SW 1/4 of Sect. 11, T7S, R15W,
Hancock Co., Mississippi,
more particularly described by
metes and bounds as follows:
commencing for survey at an
iron pin at the common Sect.
corner at the intersection of
Section 10, Sect. 11, Sect. 13,
and Sect. 15; thence East for
1347 ft. to a point; thence 1647.5
ft. to an iron pin and true point
of beginning of above said
property; thence North 33.5°
East for 635.0 ft. to an iron pin;
thence South for 392.5 ft. to an
iron pin; thence West for 659.0
ft. to an iron pin and true point
of beginning; containing 5.00
acres more or less. All being a
part of the NE 1/4 of the SW 1/4 of
Sect. 11, T7S, R15W, and being
a part of the present Over Mae
Bowen Lewis property, a
property which lies North and
South of the Rocky Hill Tower
Road and approximately one
half mile West of its in-
tersection with Mississippi
State Route No. 43 Highway.
I will convey only such right,
title and interest as is vested in
me as Trustee.

MR. AND MRS. JOSEPH WESTERFIELD

Miss Moran Weds Mr. Westerfield

Our Lady of the Gulf Catholic Church in Bay St. Louis was the setting June 3, for the wedding of Miss Barbara Moran of Bay St. Louis and Joseph Woodson Westerfield of Columbia, Miss.

The bride is the daughter of Mr. and Mrs. Carl J. Moran, Sr. The groom is the son of Mr. and Mrs. Earle E. Westerfield of Columbia.

Father Pierre Hissey of Annunciation Church per-

formed the double ring ceremony. The altar was decorated with arrangements of carnations and gladioli.

Mrs. Danny Howard, organist, played the traditional marches. She accompanied Miss Rebecca Hudson and Miss Cheryl McCullough as they presented a program of nuptial selections.

Given in marriage by her father, the bride wore a gown of silk laced peau-de-sele designed with scalloped

chamilly lace encircling the lifted bodice; a high close neckline, and long full bishop sleeves banded at the wrist.

The silhouette lines of the gown were enhanced with the bodice overlaid with chamilly lace and with the panels trellising down the front of the gown. A floor length mantilla of silk illusion bordered with scalloped-chamilly lace flowed from a pill box of silk illusion.

The bride was attended by her sister, Mrs. Jack Gordy as matron of honor, Miss Edna Moran and Mrs. William Teachout, sisters of the bride, and Miss Carol Wickton as bridesmaids. They wore formal gowns of lavender Swiss voile fashioned on empire lines and featuring long full sleeves and skirts gathered at the bodice. Wide brimmed lavender hats completed their attire.

Warren Moran, brother of the bride, served the groom as best man. Carl Moran, Jr., brother of the bride, Tony Wilkes, brother-in-law of the groom, and Jack Gordy, brother-in-law of the bride served as groomsmen. Roy Wickton served as usher.

The flower girls were Melissa Moran and Libby Kay Teachout, nieces of the groom. They wore formal gowns of pink Swiss voile fashioned similar to the bridesmaids'.

Following the ceremony a reception was held at the Ramada Inn in Bay St. Louis. Assisting in greeting the guests were the parents of the couple. The mother of the bride wore a dress of pink embossed knit, bone accessories and a corsage of white carnations.

The mother of the groom chose a dress of mint green silk shantung with white accessories. She wore a corsage of yellow carnations.

Mrs. Lowell Moran, sister-in-

law of the bride cut the wedding cake. Mrs. Carl Moran, Jr., sister-in-law of the bride kept the guest register.

Serving as tea girls were Martha Bullock, Judy Bridges, and Ann Thurman of Prentiss, Sharon Wells of Columbia, and Tommye Ellen Halloway of Carsten.

For traveling the bride chose a dress of pink knit with white accessories. She wore a corsage of white cymbidium orchids.

After a wedding trip to Florida the couple will be at home at 1015 Edwards St. in Hattiesburg.

Carr-Rayborn Engagement Announced

Mr. and Mrs. Talmadge Rayborn of Bay St. Louis announce the engagement and approaching marriage of their daughter Brenda Gail to Mr. Bartholomew Carr, son of Mr. and Mrs. James Travica, of Bay St. Louis.

Miss Rayborn is the granddaughter of Mr. and Mrs. W.L. Templeton of Starkville, Mississippi and Mrs. B.G. Rayborn and the late Mr. Rayborn of Sunrall, Mississippi. Mr. Carr is the grandson of Mr. and Mrs. Bartholomew Spoto of Bay St. Louis.

Miss Rayborn is a 1970 graduate of Starkville High School where she was an active member of many clubs including the chorus and sextet. She is presently a Junior at the University of Southern Mississippi majoring in Music Education. She is a member of the University Chorus and the nationally acclaimed

MISS BRENDA RAYBORN

University Singers.

Mr. Carr is a 1965 graduate of St. Stanislaus College in Bay St. Louis where he was outstanding in many sports. He is a Senior also attending the University of Southern Mississippi, majoring in Athletic Administration and Coaching.

The wedding will be solemnized at the First Baptist Church in Bay St. Louis, Mississippi, July 21 at 8 p.m. The candlelight ceremony will be officiated by Dr. Harold Bryson, pastor of the First Baptist Church of Carthage, Mississippi.

Echoes

Mr. and Mrs. Donald Strong entertained with a beach party Saturday night for their son Donnie on his 10th birthday.

Guests were Gary Sotak, Chuck, Rene and Leslie Hirstius, Scott Cox, Andre Arceneaux, Jimmy Collins, Sherrod Willett, Perre, Bruce and Linea Cabell, Keith Favre, Tom Garcia, Albert Williams, Robert Laughlin, Leroy, Danny, Kevin and Greg Peterson, Jim McComiskey, Mack and Timmy Kersanac, Kevin and Colleen McCaleb, his grandmothers, Mrs. Anna Mae Strong and Mrs. Edna Vassalli, his sister Dee Dee, Mr. and Mrs. Tom Egloff, Mrs. J.T. McCaleb, Mrs. Charles Hirstius and Fred Cabell.

Miss Gibson Given Wings

Miss Perry Angela Gibson has "won her wings" and is not a stewardess with Delta Air Lines.

Daughter of Mr. and Mrs. Perry E. Gibson of 139 Lafitte Drive in Waveland, she completed the four-week training course at Delta's Stewardess School at the Atlanta Airport and is now proudly wearing the chic uniform and cap of the nation's fifth largest airline. From her base station of New Orleans, she will fly to many of the 83 cities served by Delta in 23 states, the District of Columbia, and the Caribbean.

Miss Gibson is a graduate of Richton High School Richton, Miss.; and of the University of Southern Mississippi (Hattiesburg).

PUT SOME FUN IN YOUR LIFE

The Greatest Land Value on the Mississippi

Gulf Coast awaits you at Shoreline Park.

It is a new kind of living. Plenty of natural

recreation facilities at your doorstep...skiing...

fishing...yet every community facility you

could want for modern living is just a minute

or two away.

- High, dry land...land that you can walk on
- Within easy distance of well-established communities. Only 3 miles from Bay St. Louis; 1 mile from Waveland; 1 1/2 miles from Clermont Harbor.
- Graveled roads give access to every part of Shoreline Park now open to the public.
- Thousands of fragrant pine trees throughout.
- Cooled by gentle gulf breezes—you can feel the sea in the air!
- More than 12 miles of natural and man-made waterways traverse Shoreline Park.
- Some of the finest fishing grounds are nearby: Bayou LaCroix, Jourdan River and Bay of St. Louis.
- Deep waterways to handle power boats as well as sail.
- Excellent water-skiing facilities in Jourdan River and Bayou LaCroix.
- Free launching facilities for trailer boats.

INGRAM EXPLOSION

(Continued from page 1A)

depending upon the type of materials (pyrotechnic, explosive, flammable used at the plant.

If properly followed, DeMarsh said, the operation would allow for periodic fires but "never any that would involve loss of life, only a loss of material."

In answer to Griffin's request for recommendations for county supervision, DeMarsh suggested that the Dept. of Defense manual be adopted by the board to be used as a guideline for supervised periodic inspections of this and any other similar operations.

When Kellar reminded DeMarsh of his assurance on opening the Kiln plant that there would be no danger of explosion or loss of life, DeMarsh retorted that this operation was no different from any other business, in that "there is no point in having stringent safety regulations if they're not enforced. The regulations are there, but they are of no value if they're not enforced."

Supervisor Jerry Ladner asked DeMarsh if it was against manual regulations for the chemical mixing room to be in close proximity to a chemical storage area. DeMarsh said it was against regulations. He stated emphatically that "if a federal inspector had seen that the plant would have been closed immediately."

At this point, Phillips interjected an objection to the line of questioning on the basis that it was out of context with the reason for the hearing.

DeMarsh left the company some two months ago and has applied for a permit and charter, in the name of Hancock Industries, to start a similar explosive device plant in the Kiln community. A plant building is under construction about two miles behind Hancock North Central School.

Griffin, in agreeing that the procedure was approaching the "twilight zone" of questioning mentioned that he understood that there were several lawsuits pending on that aspect of the case.

Two area residents, Michael Ladner and Michael Moran, both testifying by their own

requests, said they felt the plant grounds should have been better kept and chemical storage facilities were inadequate.

Moran, a Pass Christian resident and recently discharged from military service, said that he had worked with demolitions and on ammunition dumps in the service. He said he had observed the Ingram plant when he applied for a job there following his discharge. His recommendations were that the plant follow military procedures in having emergency traps in every building containing chemicals or explosives and that 10-foot high pontoons be constructed around dangerous areas.

Moran also said that Army regulations called for explosives storage no closer than a mile to any inhabited area.

Mrs. Nell Ducomb, publisher of Mississippi Monitor magazine, told the board that her property adjoined the Ingram plant and that her greatest concern was with what she described as "the noise pollution problem" from plant operations.

"The noise from the testing firings has been most disagreeable to those of us who live nearby," she said. Mrs. Ducomb submitted a petition of protest against the plant signed by a lengthy list of area residents. Another citizen, she said, had an even longer list which she will submit to the board later.

Mrs. Ducomb suggested that the board consult a land use study of Hancock County, which indicates that the site of the plant was ill chosen as the section was "heavily inhabited."

The consensus of Ingram officials was apparently expressed by Art Lapp's testimony when he told the board that present safety regulations in effect at the plant are adequate. Lapp, who has been plant manager for 10 days at the time of the explosion, said that with all the background data available and knowledge of such an operation county-appointed "representative could come with an inspection position."

At the conclusion of the hearing, Griffin asked Phillips if a report of the three government agencies' investigations would be made available to the county. When Phillips said briefly, "It depends," Griffin countered with the remark that "we can always get them by other means if we have to."

According to Phillips, the company was not at liberty to release any findings unless authorized to do so by the federal government, as the Department of Defense may consider the investigative reports classified.

Another Ingram attorney, Nigel Rafferty, said at the onset that the plant was closed. "There is no production at this time," Rafferty said, "and there will be none in the near future."

A skeleton staff is working at the plant completing non-military contracts, but there is no explosive devices production.

As long as the federal investigations are in progress, Rafferty said, present employees are unable to answer any questions concerning conditions at the plant.

Rafferty assured the board that before the plant was reopened company officials would have a meeting with supervisors to present a report on the entire operation. The hearing was concluded on that basis.

adopted by the board to be used as a guideline for supervised periodic inspections of this and any other similar operations.

When Kellar reminded DeMarsh of his assurance on opening the Kiln plant that there would be no danger of explosion or loss of life, DeMarsh retorted that this operation was no different from any other business, in that "there is no point in having stringent safety regulations if they're not enforced. The regulations are there, but they are of no value if they're not enforced."

Scout Drive Tops Campaign Goal

The New Orleans Area Boy Scouts and Scouters celebrated a stunning victory Tuesday night in their campaign to raise a minimum of \$1,350,000.

James H. Jones, General Chairman of the Scout Camp Development Program, announced a total of \$2,063,623 was received in pledges during the nine-month campaign.

In making the announcement, Jones emphasized the resounding success of the Scout campaign could not have been achieved without the whole-hearted support of business, industries, foundations, and individuals.

"The support received by the New Orleans Area Scouts

throughout the 11 Louisiana parishes and Hancock County, Mississippi has been overwhelming."

At the victory celebration dinner held at the Jung Hotel, district campaign chairmen of each of the soliciting divisions made their final reports.

Heading the list for the most money collected in the community division was Norton Haas, Sr., chairman for the Cypress District Camping drive. Haas collected \$39,828 from this area.

Scout districts with the total of subscriptions were Darwin C. Fenner, Jr., Audubon, \$54,699; Walter S. Barnes, Bienville, \$25,556; Harold Keller, Chitimacha, \$57,744; C. Earl Colomb, Jr., Crescent, \$52,059; F. Ed. Robb, Mackhuges, \$44,951; Sheriff Carlton P. Rozand, Oil, \$31,733; Dave Robichaux, Plantation, \$45,174; Robert L. Lobrano, Plaquemine, \$25,496; Dan Kelly, Tri-Parish, \$35,597; and Russell F. Haas, Westside, \$48,161.

Reporting for metropolitan divisions were William McCollam, Jr., Special Gifts, \$51,687; Morrell F. Trimble, Major Gifts, \$119,810; John G. Phillips, Primary Gifts, \$763,962; Roy J. Moosy, Initial Gifts, \$647,388.

Although recognition was given to the efforts of each of the nearly 1,000 volunteer campaign workers, special awards were made by Jones to reporting chairmen. Each chairman received a Scout Aero Certificate laminated on wood.

Mr. and Mrs. George Lawrence Harrison of Gulfport announce the arrival of twins June 7 at Hancock General Hospital.

Elizabeth Ann weighed six pounds, four ounces and George Vinson, four pounds, four ounces.

Mrs. Harrison is the former Prince Cook, daughter of Brig. General and Mrs. John Cook, Jr. of Bay St. Louis. Paternal grandparents are the late Mr. and Mrs. Claude Webster Harrison of Opelousas, La.

BRIDGE WINNERS

Bay-Waveland Bridge Club held its quarterly tournament Monday night at Gulf National Bank with seven tables participating.

Winners were Mr. and Mrs. Jason Floyd, first; Dr. Kermit Chadwick and Mrs. T.J. Garner and Robert Johnson and Mrs. Dale Pierce tied for second and third place; Mr. and Mrs. Sidney Pugh, fourth, and Miss Amelia Scafide and Mrs. Viva Davis, fifth.

Interest Rate Will Drop On Farm Loans

The interest rate on all variable rate farm loans made through the Federal Land Bank Association of Hattiesburg will be reduced to 7 percent effective July 1, 1972, announced Association Manager Spell.

In addition, he stated that the interest rate on all variable rate loans presently outstanding will also be reduced, from 7 1/2 percent to 7 percent, effective the same date.

"This is the third time in 16 months that the Federal Land Bank of New Orleans, for which our association makes and services loans, has reduced interest rates," Spell observed. "Because of the variable rate plan, these reductions can be made promptly as conditions become more favorable. This way we can provide farmers with funds at the lowest cost possible at a given time," he continued.

The Federal Land Bank Association of Hattiesburg has \$8 million in loans outstanding to farmers in the counties of Covington, Forrest, George, Greene, Hancock, Harrison, Jackson, Jefferson Davis, Jones, Lamar, Marion, Pearl River, Perry, Stone, and Wayne. Through this association and 35 more located throughout Alabama, Mississippi, Louisiana, the Federal Land Bank of New Orleans has more than \$500 million outstanding in long-term farm mortgage loans. The lending system is owned and directed by the farmers who borrow from it.

SECTION B

DON'T FORGET DAD'S DAY!

SUNDAY, JUNE 18

by Marileen Maher
Echo News Editor

The Father.
As an institution he is often maligned, sometimes feared and generally respected.

As a person he is too often portrayed by mass media as a helpless, stumbling fool who bickers on senility no matter what age.

It was once suggested that the official flower of fathers should be the dandelion because "the more it is trampled on, the better it grows."

This Sunday, children of every age will have the chance to make up for these indignities. It's Father's Day.

The special day to honor fathers was set aside in 1910 by the Ministerial Society of Spokane, Washington at the suggestion of Mrs. John Bruce Dodd. The Spokane YMCA cooperated and the following year a Chicago committee of which Jane Adams was a member met to consider a similar celebration.

"Poor father has been left out in the cold," said Miss Adams, the well-known social worker of Hull House. "He doesn't get much recognition."

She felt that Father, like Mother, deserved a special day, and the members of a men's Bible class in Wilkesburg, Pennsylvania, also endorsed the idea. It was during this meeting that the suggestion was made concerning the dandelion.

In 1936, a national Father's Day Committee was formed, with headquarters in New York

City and it is this committee which promotes the celebration today. NDC also chooses the Father of the Year. Among those named in the past were Douglas MacArthur, Ralph J. Bunche, Dwight Eisenhower and Harry S. Truman.

As in the past, the retail merchants are now completely stocked with a variety of traditional Father's Day Gifts: 28 kinds of after-shave lotion; quantities of "monogrammed" handkerchiefs; neckties, cigarette lighters, socks - the list is endless. Greeting cards for Father will range from sentimental "goop" to contemporary cards which add a little humor to the occasion. It's commercial. But we love it and we wouldn't change it.

And on Sunday morning, when your father opens his gifts to find a pair of purple socks or glittering rhinestone cuff links, he will thank you profusely, keeping thoughts of golf clubs, rifles and fishing equipment to himself. After all, it's the thought that counts. Right?

Miss Chapman Weds Gerald Von Antz

First Baptist Church, Bay St. Louis, was the setting Saturday, June 3, for the five o'clock wedding of Miss Mary Jane Chapman and Gerald William Von Antz, Ensign United States Naval Aviation Corps.

Miss Chapman is the daughter of Mr. and Mrs. Russell Wallace Chapman of Bay St. Louis. Ensign Von Antz is the son of Mrs. Geraldine C. Von Antz of Waveland, Miss., and Albert Harrison Von Antz of Fort Lauderdale, Florida.

The Rev. Perry K. Neal performed the double ring ceremony. A program of nuptial music, including "Because and the Lord's Prayer" was presented by Mrs. Glendal Salter, organist, and Mrs. T.A. Tedford, soloist.

Given in marriage by her father, the bride was attended by her cousin Miss Emma Lucy Phillips of Alamogordo, New Mexico, as maid of honor. Bridesmaids were Miss Tracyella Staples of Biloxi and Miss Sheila Hammond of Valley Head, Alabama.

Serving the bridegroom as best man was Don Estapa of Bay St. Louis. Ushers were Danny Wilday, New Orleans, Joe Von Antz, Andy Von Antz, brothers of the groom, and Rusty Chapman, brother of the bride.

The baptism, backed with a large green fern was attended with a basket of white gladioli and daisies and the altar was adorned with greenery and

baskets of white gladioli and daisies. Fourteen branch candelabra holding lighted tapers and entwined with ivy were on either side. Large bouquets of Florida palm fronds tied with white satin bows were placed in the windows with white candles, daisies and ivy completing the decorations. The pews were marked with satin bows holding arrangements of ivy and daisies. The foyer of the church carried out the same theme.

The bride wore a Priscilla of Boston gown of white imported linen, designed on Empire lines, with white daisies and lace trim accenting the bodice. Her finger-tip veil of illusion was trimmed with flowers matching her bouquet of ivy, daisies and baby's breath.

Following the ceremony a reception was held at the church where parents of the couple and members of the wedding party assisted in receiving guests. Miss Susan Ann Chapman, sister of the bride, presided at the bride's book.

Upon their return from a wedding trip to Nassau, Ensign and Mrs. Von Antz will reside in Pensacola, Florida, where he is stationed.

ENSIGN AND MRS. GERALD VON ANTZ

Wedding Announced

Mrs. Christine Dawson Renshaw and the Rev. Dwyne Milton Moulter, both of Bay St. Louis, Miss., were united in marriage June 11 at the First Presbyterian Church.

The Rev. Dwyne Mecklin, Moulter of New York City, son of the groom, officiated.

Mrs. Howard Burton Shaw of Bay St. Louis was her sister's only attendant.

Serving as best man was Mr. Malcolm Christian Moulter of Memphis, Tenn., also a son of the groom.

The Rev. and Mrs. Moulter will leave shortly for a trip to Eastern Europe.

MR. LOYAL PIKER OF PEARLINGTON, MISS. ACCEPTS DELIVERY OF NEW CHEVY PICKUP TRUCK FROM TURAN-LANE CHEV. SALESMAN D.L. ROUNDS. Mr. Loyal Piker after having previously bought from Turan-Lane Chevrolet was in need of a new pickup truck. He returned to Turan-Lane Chevrolet to shop again, because he remembered the good deal and service offered him on his last purchase. At Turan-Lane he found the right truck for the right price and got the right allowance for trade.

Beautify America! it's Flag Day

June 14th is FLAG DAY... and what a wonderful occasion to Beautify America.

Old glory is the most beautiful flag in the world. It is the same flag that has carried us through periods of war and depression. The red, white and blue is the same symbol that GUARANTEES us our rights under our constitution... the same symbol that supports the Bill of Rights and the rights of the individual to seek his own destiny.

Our flag is a constant reminder of the price that we have paid for freedom and the prosperity that we all enjoy today.

The Stars and Stripes will "Beautify America". Do your part.

MR. AND MRS. DONALD CALDWELL JR.

Caldwell-Aguzin

Wed At St. Clare

St. Clare Catholic Church was the setting for the Saturday evening, June 10, nuptial Mass and candlelight ceremony uniting Miss Susan Marie Aguzin and Donald McKay Caldwell Jr.

Miss Aguzin is the daughter of Mrs. Caroline M. Aguzin of Waveland and the late August John Aguzin. Parents of the bridegroom are Mr. and Mrs. Donald McKay Caldwell Sr., of Bay St. Louis.

The Reverend Daniel Welton officiated at the double ring ceremony. Vows were exchanged before an altar adorned with palms, baskets of gladioli, spider mums and carnations in variegated rainbow colors and candelabra holding lighted tapers. Hurricane lamps completed the decorations.

Echoes

Mrs. Mildred Means, organist, played appropriate nuptial music, "Morning Has Broken" for the processional and "Matrimony" for the recessional.

Given in marriage by her brother Rodney, the bride chose an Elizabethan style formal gown of white satin trimmed with Venice lace over white satin. Her sheer floor length veil of illusion fell from the back of a Juliet-styled cap. She carried a cascade of daisy type poms and baby's breath centered with a detachable cymbidium orchid corsage.

Miss Rebecca Aguzin, sister of the bride, attended as maid of honor. Bridesmaids, Anne DeBlanc, Nancy Hussey, Winona Aguzin and Mary Ellen Murphy, wore old-fashioned gowns in rainbow hues of pink, yellow, blue, green and apricot. They wore white picture hats trimmed with appropriate colored ribbons and carried nosegays of varied colored poms, pink sweetheart roses and gypsophelia.

John Wade served as best man. Groomsmen were Strat Poindexter, Delma Powell and James and Charles Caldwell. Sp5 Keith Laurent of Fort Meade, Maryland and Stephen Aguzin, the bride's brother, served as ushers.

Following the ceremony a reception was held in St. Clare Costello Hall. The bride's table, covered with a satin cloth and white lace overlay, was centered with a five-tiered cake decorated with pale pink spun sugar roses and daisies; matching the bridesmaids' dresses. Hurricane lamp candelabras with pastel flowers were on either side. Assisting in cutting and serving the cake were Mrs. Anne Shippey and Mrs. Frederick Lampas.

The bride and groom were assisted in receiving guests by their parents and the bride's grandparents, Mr. and Mrs. Thomas J. Meade, and the groom's grandmother Mrs. Clarence Caldwell.

Guests last weekend of Mr. and Mrs. J.C. Baxter Jr. and family were their son and daughter-in-law Mr. and Mrs. R.C. Baxter of Dallas, Texas, Mrs. Baxter's brother-in-law and sister Mr. and Mrs. William Boydell of Miami, Fla., her brother and sister-in-law, Mr. and Mrs. E. J. Pinks of New Orleans, Mr. Baxter's brother Lionel Baxter of McLean, Va., and Miss Debbie Graves, Jackson, Miss.

Sodality of Our Lady of St. Clare's Parish will hold its monthly luncheon and social at 1 p.m. Wednesday, June 14 in Costello Hall. Donation will be \$1.25 per person.

Five Students Attend Girls State

Five girls from Bay-Waveland area left last Thursday morning for Belhaven College, Jackson, where they will participate in the annual Girls State program sponsored by the American Legion Auxiliary.

Leaving were Leja Rutherford, daughter of Mr. and Mrs. L.L. Rutherford of Waveland. Leja, who attended Our Lady of the Gulf School for six years, is presently a junior

at Bay Senior High, where she is an active member of Bay High Tiger Band; chorus. French and Literary Club. She is also a Candy Stripper at Hancock General Hospital.

Lynette Ladner, daughter of Mr. and Mrs. Curtis Ladner, is a junior at Bay Senior High, where she is on merit list and active in the chorus and Library Club. She is a member of Our Lady of the Gulf Catholic Youth Organization, and American Legion Legion

Junior Auxiliary. Agnes Wilkerson, daughter of Mr. and Mrs. John W. Wilkerson, attended Our Lady of the Gulf School for eight years and is presently a junior at Bay Senior High. She has been a member of the Spanish Club for two years, on Junior Garden Club for the past year and has played piano for seven years. She is also a member of American Legion Junior Auxiliary. Her hobbies are swimming, bicycle riding and making ceramics.

Janelle (Jan) Rutherford, daughter of Mr. and Mrs. John S. Rutherford Jr., and a junior at Bay St. Louis High School, is a member of the basketball and track teams, and student council and a merit student. She has been a member of the American Legion Junior Auxiliary for a number of years and attends Our Lady of the Gulf Catholic Church.

Bea North, daughter of Mr. and Mrs. Daniel W. North Jr., is presently enrolled as a junior at Bay Senior High where she is active in various clubs. She is now serving as treasurer of F.H.A., Junior Garden Club and Our Lady of the Gulf C.Y.O. She is also a

member of the French Club, National Honor Society and American Legion Auxiliary. She enjoys art work, cooking, bowling, swimming and sewing. After high school she plans to enter college and major in the field of Home Economics.

Mrs. Guy Buikin, Clement R. Bon Temps American Legion Auxiliary Unit 139, Girl State chairman, said the girls are sponsored by Gulf National Bank and Hancock Bank.

Church To Host Annual Session

The First Missionary Baptist Church, Sycamore and Third Streets, will host the 21st Annual Session of the Gulf Coast Association Sunday School and Baptist Training Union Congress, June 15, 16, and 17. Rev. Lawrence Collins is the host pastor.

The theme for this session is "Training All Church Members To Strive For The Advancement of the Church and To Promote Its Prosperity."

A pre-congress musical will be held Thursday at 7 p.m. The musical is under the direction of Paul M. Lewis.

A welcome program will be presented on Friday night. Greetings are scheduled from city officials, professional and businessmen, educators, and

clergymen. Several addresses will be presented, touching on the urban crisis, modern man and the technological revolution, family life and personality needs, and the politics of poverty housing.

R.A. Robinson, president of the congress, and a resident of this area, will deliver his annual address on Friday night. Delegates from the Gulf Coast will be here to represent their churches.

ANNUAL FAIR

St. John's Catholic Church will hold its annual fair Saturday, June 24, starting at 3 p.m. on the church grounds.

There will be a turkey shooting match, games for children, cake, food, country store, mystery packages and various other booths.

Featured this year will be a new clothes booth which will include boys' khaki clothes. Anyone interested in seeing articles to be sold at this booth prior to the fair can contact Mrs. Harry Baxter at 467-7660.

Donations and volunteers to help with the booths will be appreciated. Mrs. A.M. Thomas said. Interested persons can contact her, Mrs. Ray Bordages or Mrs. Raymond Matulich.

ENGAGEMENT

Mr. and Mrs. Norvin J. Fayard of Bay St. Louis, announce the engagement and approaching marriage of their daughter, Deborah Sue, to Thaddeus Leonard Collier Jr., son of Mr. and Mrs. Thaddeus L. (P.J.) Collier Sr.

The wedding will be solemnized at 3:30 p.m., Saturday, July 1, in Our Lady of the Gulf Catholic Church.

Thermal tumbler free with a fill-up.

Keep your hot drinks hot and your cold drinks cold.

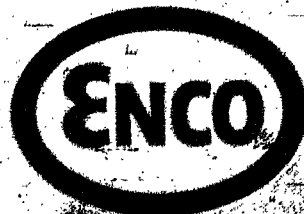

It's easy when you pour your favorite beverage into an insulated tumbler. And the tumblers are easy to come by, too.

You get one free with a gasoline fill-up at participating Enco stations. You'll probably want to collect lots of them. And the matching 2-quart thermal pitcher is only \$2.69, suggested promotion price.

The handsome thermal tumblers are made of durable plastic in popular avocado with white trim. Use them at home or on your outings. They're especially good for children to use.

This offer is available at most Enco stations in Kentucky, Alabama, Mississippi and the Florida Panhandle.

So look for the "Thermal Tumbler" sign and start your set today.

Humble Oil & Refining Company

Echoes

Mrs. Anthony Mioton and daughters Misses Lori Schwall and Wanda Beam entertained with a party June 10 for Mr. Mioton on the occasion of his birthday.

Guests were Mr. and Mrs. Raymond Mioton, sons Raymond Jr. and Kenny and daughter Connie, Mr. and Mrs. Herman Gautreaux, Miss Toni Schwall, Mr. and Mrs. James Higgins, Mr. and Mrs. William Musser, Miss Cindy Musser, Mrs. Dolly Johnson, Mr. and Mrs. Rufus Hill and children Bobby and Steven, Mr. and Mrs. Ray Carver and children Tony, Andrew, Vickie, Debbie and Rachel.

Melody Schwall of New Orleans has returned home after a weeks visit with her grandparents Mr. and Mrs. Herman Gautreaux.

Week-end guests of Mrs. Leonie Monti and Miss Rosemary Blazie were the former's daughter, Joy, and Misses Anna Margaret Boudreaux and Julie Eschett of Metairie, La.

Mr. and Mrs. Tony Monti and daughters Denise and Amy attended the wedding June 3 of a cousin, Miss Sandra Meiners and Victor Johnson in Our Lady of the Lake Catholic Church, Mandeville, La. Amy served as a flower girl in the wedding.

Capt. Henry Capdepon Jr., U.S. Marine Corps, Mrs. Capdepon and children Bridget, Henry III and John Wesley of Jacksonville, N.C., left Sunday after a week's visit with his parents Mr. and Mrs. Capdepon Sr.

While here they were joined for a visit by Capt. Capdepon's brother-in-law and sisters Mr. and Mrs. W.L. Higgins and daughter Janice of Mississippi City and Mr. and Mrs. Lamar Bassett of Pascagoula, and Mrs. Capdepon's grandmother, Mrs. Floyd Harris and daughter Mrs. Bertha Cameron of Piquette.

Saturday night the birthdays of Mr. and Mrs. Capdepon Sr. were celebrated by the group with a supper at Haverty's. Also with them was an aunt, Miss Lillie Jones of this city.

Mr. and Mrs. Albert Becker, their daughter, Mrs. Joe Krupka and son Joey of Brownsville, Texas, and Miss Inez Favre spent Sunday in Hattiesburg visiting with friends.

Mr. and Mrs. Lawrence Forstall had as weekend guests at their summer home on Felicity Street, Mrs. Patricia Caillouet and children Rene, Petie and Katie of New Orleans.

Don Baker and son Theodore Alexander were christened Sunday, May 28, in First Presbyterian Church with the Rev. Dwyne M. Mounger, pastor, officiating. Godparents for Theodore were Miss Deborah Duhon and Joseph Buccola.

Mr. and Mrs. Don Baker, who were called to Roger, Ohio, June 4 by the death of his father Theodore Baker, have returned home. They were accompanied back by his mother and daughter Linda who will visit with them for several weeks.

Zienu Baker is visiting in Fort Lauderdale, Fla., with her grandmother, Mrs. Earl Wells.

Among those from Bay St. Louis attending the wedding Sunday afternoon of Miss Lynda Siben and Paul Sanfilippo in St. Paul's Lutheran Church and the reception following in Arabi, La., were Mr. and Mrs. Charles Scianna and daughters Mary Ann, Danita and Linda, Mr. and Mrs. J. C. Shubert and Mr. and Mrs. Claude Shubert.

Marine Briefs

(COURTESY OF GULF COAST RESEARCH LABORATORY)

IMPORTS: Total U.S. imports of canned oysters amounted to 1.8 million pounds compared with 1.3 million pounds a year ago, up 589,000 pounds.

Management Activities - By W.J. Demoran, Staff Marine Biologist, and Commissioner and Consultant, Mississippi Marine Conservation Commission.

The 1971-72 oyster season opened on 1 September 1971. The tonging reef off Pass Christian, and the areas known as Bayou Graveline and Bayou Cumbest were included in the opening. All others areas remained closed.

In October, raw oyster dealers requested that the area known as St. Joe reef be opened in order to obtain a pack (undefined volume) for the Christmas holiday season. On the recommendation of the biologist, the Mississippi Marine Conservation Commission opened the area to dredging on November 15 and closed it on January 19.

The reef known as Henderson Point was opened to dredging on January 21, primarily for the steam oyster industry, and the size limit of oysters to be taken was lowered to 2 1/2 inches, to aid this segment of the industry in getting a pack of canned oysters. Simultaneously, the size limit of oysters from the Pass Christian tonging reef was lowered to 2 1/2 inches.

Between September 1 and March 31, a total of 39,468 bbls. (4 bushel per bbl.) of oysters were taken from the Pass Christian tonging reef and the Henderson Point dredging reef. Of this total, 24,385 barrels went to the steam oyster industry, and 15,084 barrels were taken by the raw oyster industry. The price per barrel paid to fishermen for steam oysters (2 1/2 inches in size) was \$3.25, while the price for raw stock oysters (3 inches in size) was \$8.00.

The maximum yield of oysters, canned by steam canners ran 25.8 cans per bbl., which indicated that oysters were in excellent condition and were handled well by the fishermen.

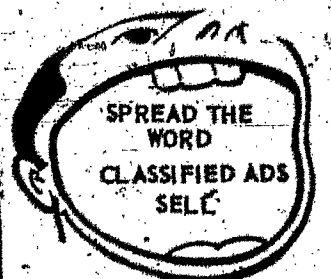

Striped Bass - By T.D. McIlwain, Staff Marine Biologist.

On 17 April 1972, a shipment of 500,000 sea run striped bass fry (1/4 inch total length) was received from the Monks Corner, South Carolina, striped bass hatchery. Two shipments (totaling 150,000) of fry were received from Chesapeake Bay, Maryland, on 24 April and 1 May.

These striped bass fry will be reared at the Laboratory to approximately two inches in total length. Then they will be marked and released into the streams of south Mississippi. Ninety thousand of the two inch fish will be retained for a second stocking next fall, when they reach a total length of 4 to 6 inches.

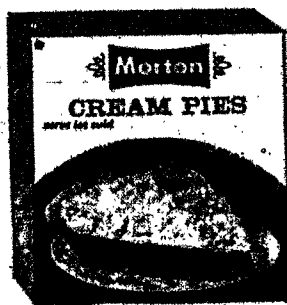

This rearing and stocking program is designed to evaluate the success of stocking two inch versus six inch fish. Further, to evaluate the success of the strain of South Carolina sea run striped bass versus the Maryland strain in south Mississippi waters.

Results of stocking of south Mississippi waters with South Carolina striped bass during 1969 and 1970 indicate that they will live and grown in these waters, but apparently do not migrate to the open Gulf waters. Therefore, Maryland striped bass, definitely know to migrate to oceanic waters, are being reared for stocking this year in an attempt to add this species of fish to the excellent fishery already in existence on the Mississippi Gulf Coast.

Shrimp Boats Wear Sunday Best

(Echo staff photos by Adoree Shortle)

by Adoree Shortle
Echo staff writer

Sunday turned out to be a banner day for participants and spectators alike at the second annual Blessing of the Fleet in Bay St. Louis.

Jointly sponsored by the Hancock Fishermen's Association and the Chamber of Commerce, the gala event attracted a large crowd of spectators as well as 16 boats which came to receive the traditional blessing and vie for Best Decorated honors.

By 2 p.m. spectators filled the American Legion pier and lined the beach for several blocks to watch as the flotilla of boats appeared on the horizon. Most of the fishing boats came from Bayou Caddy and were owned by local commercial fishermen, but there were also boats from Pass Christian, Gulfport and several from New Orleans.

On the committee boat Majohiba, owned by Sam Favre, were Rev. Jerome Haines of St. Augustine Seminary and Rev. Charles Johnson, rector of Christ Episcopal Church, both in Bay St. Louis; Chamber of Commerce officials Talmadge Rayborn, committee chairman Nicholas Haas, Robert Boudin and E.J. Marengo.

Judges for the trophy awards were Mrs. John McKenna, E.J. Marengo and J.D. McCullough. Boats competing were judged on decorations, cleanliness and upkeep.

A perpetual trophy for the winning boat was donated Ladner's Sea Foods in Bay St. Louis.

Brightly colored decorations sparkling in the sunlight, the fishing boats slowly approached the Majohiba for a blessing from Fr. Haines. Each boat received, as well, a crucifix which Fr. Johnson attempted at first to hand to boat occupants.

A few near misses due to heavy waves and wash from the larger boats resulted in his having to throw the boxed crucifixes. Good aim and each successful catch brought a round of applause from boat occupants and spectators.

Two of the boats, the Twenty Bucks and the Bud, released a shower of balloons as they passed before the committee boat. The profusion of balloons floated on the waves to the beach where children and adults waded in to retrieve them.

Winning boats were the Ricky G., owned by Buck Strong of Bay St. Louis, first place; Lady Gloria, owned by T.J. Strong, second place; Twenty Bucks, owned by Lloyd Garcia, third place.

24 HOUR SERVICE

what do you know about...

HURRICANES TORNADOS THUNDER STORMS

.....PREPAREDNESS IS PROTECTION.....

HURRICANES

HURRICANE SAFETY RULES
HURRICANE ADVISORIES WILL HELP YOU SAVE YOUR LIFE...BUT YOU MUST HELP. FOLLOW THESE SAFETY RULES DURING HURRICANE EMERGENCIES:

1. ENTER EACH HURRICANE SEASON PREPARED. EVERY JUNE THROUGH NOVEMBER, RECHECK YOUR SUPPLY OF BOARDS, TOOLS, BATTERIES, NON-PERISHABLE FOODS, AND THE OTHER EQUIPMENT YOU WILL NEED WHEN A HURRICANE STRIKES YOUR TOWN.

2. WHEN YOU HEAR THE FIRST TROPICAL CYCLONE ADVISORY, LISTEN FOR FUTURE MESSAGES: THIS WILL PREPARE YOU FOR A HURRICANE EMERGENCY WELL IN ADVANCE OF THE ISSUANCE OF WATCHES AND WARNINGS.

3. WHEN YOUR AREA IS COVERED BY A HURRICANE WATCH, CONTINUE NORMAL ACTIVITIES, BUT STAY TUNED TO RADIO OR TELEVISION FOR ALL NATIONAL WEATHER SERVICE ADVISORIES. REMEMBER, A HURRICANE WATCH MEANS POSSIBLE DANGER WITHIN 24 HOURS; IF THE DANGER MATERIALIZES, A HURRICANE WARNING WILL BE ISSUED. MEANWHILE, KEEP ALERT. IGNORE RUMORS.

4. WHEN YOUR AREA RECEIVES A HURRICANE WARNING, PLAN YOUR TIME BEFORE THE STORM ARRIVES AND AVOID THE LAST-MINUTE HURRY WHICH MIGHT LEAVE YOU MARoonED.

5. WHEN THE EMERGENCY HAS ENDED, LEAVE CALM UNTIL THE EMERGENCY HAS ENDED. LEAVE LOW-LYING AREAS THAT MAY BE SWEEPED BY HIGH TIDES OR STORM WAVES. LEAVE MOBILE HOMES FOR MORE SUBSTANTIAL SHELTER. THEY ARE PARTICULARLY VULNERABLE TO OVERTURNING DURING STRONG WINDS. DAMAGE CAN BE MINIMIZED BY SECURING MOBILE HOMES WITH HEAVY CABLES ANCHORED IN CONCRETE FOOTING. MOOR YOUR BOAT SECURELY BEFORE THE STORM ARRIVES, OR EVACUATE IT TO A DESIGNATED SAFE AREA. WHEN YOUR BOAT IS MOORED, LEAVE IT, AND DON'T RETURN ONCE THE WIND AND WAVES ARE UP. BOARD WINDOWS OR PROTECT THEM WITH STORM SHUTTERS OR TAPE. DANGER TO SMALL WINDOWS IS MAINLY FROM WIND-DRIVEN DEBRIS. LARGER WINDOWS MAY BE BROKEN BY WIND PRESSURE. SECURE OUTDOOR OBJECTS THAT MIGHT BE BLOWN AWAY OR UPROOTED. GARBAGE CANS, GARDEN TOOLS, TOYS, SIGNS, PORCH FURNITURE, AND A NUMBER OF OTHER HARMLESS ITEMS BECOME MISSILES OF DESTRUCTION IN HURRICANE WINDS. ANCHOR THEM OR STORE THEM INSIDE BEFORE THE STORM STRIKES. STORE DRINKING WATER IN CLEAN BATHUBS, JUGS, BOTTLES, AND COOKING UTENSILS; YOUR TOWN'S WATER SUPPLY MAY BE CONTAMINATED BY FLOODING OR DAMAGED BY HURRICANE FLOODS. CHECK YOUR BATTERY-POWERED EQUIPMENT. YOUR RADIO MAY BE YOUR ONLY LINK WITH THE WORLD OUTSIDE THE HURRICANE, AND EMERGENCY COOKING FACILITIES, LIGHTS, AND FLASHLIGHTS WILL BE ESSENTIAL IF UTILITIES ARE INTERRUPTED. KEEP YOUR CAR FUELED. SERVICE STATIONS MAY BE INOPERABLE

FOR SEVERAL DAYS AFTER THE STORM STRIKES, DUE TO FLOODING OR INTERRUPTED ELECTRICAL POWER. STAY AT HOME, IF IT IS STURDY AND ON HIGH GROUND; IF IT IS NOT, MOVE TO A DESIGNATED SHELTER, AND STAY THERE UNTIL THE STORM IS OVER. REMAIN INDOORS DURING THE HURRICANE. TRAVEL IS EXTREMELY DANGEROUS WHEN WINDS AND TIDES ARE WHIPPING THROUGH YOUR AREA. MONITOR THE STORM'S POSITION THROUGH NATIONAL WEATHER SERVICE ADVISORIES.

BEWARE THE EYE OF THE HURRICANE
IF THE CALM STORM CENTER PASSES DIRECTLY OVERHEAD, THERE WILL BE A LULL IN THE WIND LASTING FROM A FEW MINUTES TO HALF AN HOUR OR MORE. STAY IN A SAFE PLACE UNLESS EMERGENCY REPAIRS ARE ABSOLUTELY NECESSARY. BUT REMEMBER, AT THE OTHER SIDE OF THE EYE, THE WINDS RISE VERY RAPIDLY TO HURRICANE FORCE, AND COME FROM THE OPPOSITE DIRECTION.

5. WHEN THE HURRICANE HAS PASSED: SEEK NECESSARY MEDICAL CARE AT RED CROSS DISASTER STATIONS OR HOSPITALS. STAY OUT OF DISASTER AREAS. UNLESS YOU ARE QUALIFIED TO HELP, YOUR PRESENCE MIGHT HAMPER FIRST-AID AND RESCUE WORK. DRIVE CAREFULLY ALONG DEBRIS-FILLED STREETS. ROADS MAY BE UNDERMINED AND MAY COLLAPSE UNDER THE WEIGHT OF A CAR. SLIDES ALONG CUTS ARE ALSO A HAZARD. AVOID LOOSE OR DANGLING WIRES, AND REPORT THEM IMMEDIATELY TO YOUR POWER COMPANY OR THE NEAREST LAW ENFORCEMENT OFFICER. REPORT BROKEN SEWER OR WATER MAINS TO THE WATER DEPARTMENT. PREVENT FIRES. LOWERED WATER PRESSURE MAY MAKE FIRE FIGHTING DIFFICULT. CHECK REFRIGERATED FOOD FOR SPOILAGE IF POWER HAS BEEN OFF DURING THE STORM.

REMEMBER THAT HURRICANES MOVING INLAND CAN CAUSE SEVERE FLOODING. STAY AWAY FROM RIVER BANKS AND STREAMS.

TORNADOS SPAWNED BY HURRICANES ARE AMONG THE STORMS' WORST KILLERS. WHEN A HURRICANE APPROACHES, LISTEN FOR TORNADO WATCHES AND WARNINGS. A TORNADO WATCH MEANS TORNADOS ARE EXPECTED TO DEVELOP. A TORNADO WARNING MEANS A TORNADO HAS ACTUALLY BEEN SIGHTED. WHEN YOUR AREA RECEIVES A TORNADO WARNING, SEEK INSIDE SHELTER IMMEDIATELY, PREFERABLY BELOW GROUND LEVEL. IF A TORNADO CATCHES YOU OUTSIDE, MOVE AWAY FROM ITS PATH AT A RIGHT ANGLE. IF THERE IS NO TIME TO ESCAPE, LIE FLAT IN THE NEAREST DEPRESSION, SUCH AS A DITCH OR RAVINE.

HURRICANE WATCHES MEAN A HURRICANE MAY THREATEN AN AREA WITHIN 24 HOURS. HURRICANE WARNINGS MEAN A HURRICANE IS EXPECTED TO STRIKE AN AREA WITHIN 24 HOURS.

THE BAY ST. LOUIS CIVIL DEFENSE COUNCIL WOULD LIKE TO TAKE THIS OPPORTUNITY AND MEANS OF COMMUNICATION TO INFORM YOU OF THE ANSWERS TO THE ABOVE QUESTIONS.

WE ASK THAT YOU READ CAREFULLY THE OUTLINED INFORMATION AND KEEP IN A READILY ACCESSIBLE PLACE FOR FUTURE REFERENCE. WE ENCOURAGE YOU TO READ IT OFTEN AND BECOME COMPLETELY FAMILIAR WITH ALL THE INFORMATION IT CONTAINS AS IT MAY WELL BE THE MEANS TO SELF-PRESERVATION.

IN THE EVENT OF A NATURAL DISASTER THE BAY ST. LOUIS CIVIL DEFENSE WILL FOLLOW AS CLOSE AS

POSSIBLE ALL STEPS OUTLINED. THE MAIN EVACUATION CENTER WILL BE THE BAY ST. LOUIS JUNIOR HIGH SCHOOL BUILDING LOCATED ON SECOND STREET BETWEEN ULMAN AND CARROLL AVENUES. (OTHER SHELTER AREAS ARE PROVIDED FOR IF NEEDED.)

WE CANNOT IMPRESS UPON YOU ENOUGH THE URGENT NEED FOR COMPLETE COOPERATION DURING THE TIME OF EMERGENCY. PLEASE HEED THE WARNINGS AND INSTRUCTIONS GIVEN DURING THESE TIMES SINCE THEY ARE RELEASED SOLELY FOR YOUR PROTECTION AND WELL BEING.

PLEASE REMEMBER THAT CIVIL DEFENSE IS NOT A

TORNADO TIPS

A TORNADO WATCH MEANS TORNADOS ARE EXPECTED TO DEVELOP. KEEP A BATTERY-OPERATED RADIO OR TELEVISION SET NEARBY, AND LISTEN FOR WEATHER ADVISORIES—EVEN IF THE SKY IS BLUE.

A TORNADO WARNING MEANS A TORNADO HAS ACTUALLY BEEN SIGHTED OR INDICATED BY WEATHER RADAR. SEEK INSIDE SHELTER (IN STORM CELLAR OR REINFORCED BUILDING) AND STAY AWAY FROM WINDOWS. CURL UP SO THAT YOUR HEAD AND EYES ARE PROTECTED. KEEP A BATTERY-OPERATED RADIO OR TELEVISION NEARBY, AND LISTEN FOR FURTHER ADVISORIES.

IN SHOPPING CENTERS, GO TO A DESIGNATED SHELTER AREA (NOT TO YOUR PARKED CAR.) IN HOMES, THE BASEMENT OFFERS THE GREATEST SAFETY. SEEK SHELTER UNDER STURDY FURNITURE IF POSSIBLE. IN HOMES WITHOUT BASEMENTS, TAKE COVER IN THE CENTER PART OF THE HOUSE, ON THE LOWEST FLOOR, IN A SMALL ROOM SUCH AS A CLOSET OR BATHROOM, OR UNDER STURDY FURNITURE. KEEP SOME WINDOWS OPEN, BUT STAY AWAY FROM THEM.

IN OFFICE BUILDINGS, GO TO AN INTERIOR HALLWAY ON THE LOWEST FLOOR, OR TO THE DESIGNATED SHELTER AREA. IN SCHOOLS, FOLLOW ADVANCE PLANS TO AN INTERIOR HALLWAY ON THE LOWEST FLOOR. IF THE BUILDING IS NOT OF REINFORCED CONSTRUCTION, GO

TO A NEARBY ONE THAT IS, OR TAKE COVER OUTSIDE ON LOW, PROTECTED GROUND. STAY OUT OF AUDITORIUMS, GYMNASIUMS, AND OTHER STRUCTURES WITH WIDE, FREESPAN ROOFS.

IN OPEN COUNTRY, MOVE AWAY FROM THE TORNADO'S PATH AT RIGHT ANGLES. IF THERE IS NOT TIME TO ESCAPE, LIE FLAT IN THE NEAREST DITCH OR RAVINE.

MOBILE HOMES ARE PARTICULARLY VULNERABLE TO OVERTURN DURING STRONG WINDS, AND SHOULD BE EVACUATED WHEN STRONG WINDS ARE FORECAST. DAMAGE CAN BE MINIMIZED BY SECURING TRAILERS WITH CABLES ANCHORED IN CONCRETE FOOTING.

TRAILER PARKS SHOULD HAVE A COMMUNITY STORM SHELTER AND A WARDEN TO MONITOR BROADCASTS THROUGHOUT THE SEVERE STORM EMERGENCY. IF THERE IS NO SHELTER NEARBY, LEAVE THE TRAILER PARK AND TAKE COVER ON LOW, PROTECTED GROUND.

TORNADOS ARE ONLY ONE OF A THUNDERSTORM'S KILLERS.

LIGHTNING IS THE WORST KILLER. STAY INDOORS AND AWAY FROM ELECTRICAL APPLIANCES WHILE THE STORM IS OVERHEAD. IF YOU ARE CAUGHT OUTSIDE, STAY AWAY FROM AND LOWER THAN HIGH, CONDUCTIVE OBJECTS.

THUNDERSTORM RAINS CAUSE FLASH FLOODS. BE CAREFUL WHERE YOU TAKE SHELTER.

THUNDER STORM SAFETY RULES

NATIONAL WEATHER SERVICE
FRIDAY JUNE 9, 1972

THUNDERSTORM SAFETY RULES

1. KEEP AN EYE ON THE WEATHER DURING WARM PERIODS AND DURING THE PASSAGE OF COLD FRONTS. WHEN CUMULUS CLOUDS BEGIN BUILDING UP AND DARKENING...YOU ARE PROBABLY IN FOR A THUNDERSTORM. CHECK THE LATEST WEATHER FORECAST.

2. KEEP CALM. THUNDERSTORMS ARE USUALLY OF SHORT DURATION...EVEN SQUALL LINES PASS IN A MATTER OF A FEW HOURS. BE CAUTIOUS...BUT DO NOT BE AFRAID. STAY IN DOORS AND KEEP INFORMED.

3. KNOW WHAT THE STORM IS DOING. REMEMBER THAT THE MATURE STAGE MAY BE MARKED ON THE GROUND BY A SUDDEN REVERSAL OF WIND DIRECTION...A NOTICEABLE RISE IN WIND SPEED...AND A SHARP DROP IN TEMPERATURE. HEAVY RAIN...HAIL...TORNADOS AND LIGHTNING GENERALLY OCCUR ONLY IN THE MATURE STAGE OF THE THUNDERSTORM.

4. CONDITIONS MAY FAVOR TORNADO FORMATION. TUNE IN YOUR RADIO OR TELEVISION RECEIVER TO DETERMINE WHETHER THERE IS A TORNADO WATCH OR TORNADO WARNING OUT FOR YOUR AREA. A TORNADO WATCH MEANS TORNADO FORMATION IS

LIKELY IN THE AREA COVERED BY THE WATCH. A TORNADO WARNING MEANS ONE HAS BEEN SIGHTED OR RADAR INDICATED IN YOUR AREA. IF YOU RECEIVE A TORNADO WARNING...SEEK INSIDE SHELTER IN A STORM CELLAR...BELOW GROUND LEVEL...OR IN REINFORCED CONCRETE STRUCTURES. STAY AWAY FROM WINDOWS.

5. LIGHTNING IS THE THUNDERSTORM'S WORST KILLER. STAY INDOORS AND AWAY FROM ELECTRICAL APPLIANCES WHILE THE STORM IS OVERHEAD. IF LIGHTNING CATCHES YOU OUTSIDE...REMEMBER THAT IT SEEMS THE EASIEST...NOT NECESSARILY THE SHORTEST...DISTANCE BETWEEN POSITIVE AND NEGATIVE CENTERS. KEEP YOURSELF LOWER THAN THE NEAREST HIGHLY CONDUCTIVE OBJECT...AND MAINTAIN A SAFE DISTANCE FROM IT. IF THE OBJECT IS A TREE...TWICE ITS HEIGHT IS CONSIDERED A SAFE DISTANCE.

6. THUNDERSTORM RAIN MAY PRODUCE FLASH FLOODS. STAY OUT OF DRY CREEK BEDS DURING THUNDERSTORMS. IF YOU LIVE ALONG A RIVER...LISTEN FOR FLASH FLOOD WARNINGS FROM THE NATIONAL WEATHER SERVICE.

SPECIAL UNIT OR GROUP OF PEOPLE STANDING BY TO SAVE THE DAY IN CASE OF A MAJOR DISASTER, BUT JUST THE NORMAL FORCES OF GOVERNMENT, PLUS NON-GOVERNMENTAL PERSONNEL WITH SPECIAL NEEDED SKILLS, SUCH AS DOCTORS, ETC., RESPONDING TO AN UNUSUAL EMERGENCY CONDITION.

IF YOU HAVE AN UNUSUAL EVACUATION PROBLEM OR REQUIRE SOME ADDITIONAL INFORMATION, PLEASE CONTACT AT ONCE, MR. J.R. LAVOIE, BAY ST. LOUIS CIVIL DEFENSE DIRECTOR AT 47-574 OR GO TO CIVIL DEFENSE HEADQUARTERS LOCATED IN THE VALENA C. JONES SCHOOL BUILDING ON THE OLD SPANISH TRAIL.

Shrimp Boats Wear Sunday Best

(Echo staff photos by Adoree Shortle)

by Adoree Shortle
Echo staff writer

Sunday turned out to be a banner day for participants and spectators alike at the second annual Blessing of the Fleet in Bay St. Louis.

Jointly sponsored by the Hancock Fishermen's Association and the Chamber of Commerce, the gala event attracted a large crowd of spectators as well as 16 boats which came to receive the traditional blessing and vie for Best Decorated honors.

By 2 p.m. spectators filled the American Legion pier and lined the beach for several blocks to watch as the flotilla of boats appeared on the horizon. Most of the fishing boats came from Bayou Caddy and were owned by local commercial fishermen, but there were also boats from Pass Christian, Gulfport and several from New Orleans.

On the committee boat, Majoheba, owned by Sam Favre, were Rev. Jerome Haines of St. Augustine Seminary and Rev. Charles Johnson, rector of Christ Episcopal Church, both in Bay St. Louis; Chamber of Commerce officials Talmadge Rayborn, committee chairman; Nicholas Haas, Robert Boudin and E.J. Marengo.

Judges for the trophy awards were Mrs. John McKenna, E.J. Marengo and J.D. McCullough. Boats competing were judged on decorations, cleanliness and upkeep.

A perpetual trophy for the winning boat was donated Ladner's Sea Foods in Bay St. Louis.

Brightly colored decorations sparkling in the sunlight, the fishing boats slowly approached the Majoheba for a blessing from Fr. Haines. Each boat received, as well, a crucifix, which Fr. Johnson attempted at first to hand to boat occupants.

A few near misses due to heavy waves and wash from the larger boats resulted in the having to throw the boxed crucifixes. Good aim and each successful catch brought a round of applause from boat occupants and spectators.

Two of the boats, the Twenty Bucks and the Bud, released a shower of balloons as they passed before the committee boat. The profusion of balloons floated on the waves to the beach where children and adults waded in to retrieve them.

Winning boats were the Riky-G, owned by Buck Strong of Bay St. Louis, first place; Lady Gloria, owned by T.J. Strong, second place; Twenty Bucks, owned by Lloyd Garcia, third place.

HURRICANES TORNADOS THUNDER STORMS

....PREPAREDNESS IS PROTECTION....

HURRICANES

HURRICANE SAFETY RULES
HURRICANE ADVISORIES WILL HELP YOU SAVE YOUR LIFE...BUT YOU MUST HELP. FOLLOW THESE SAFETY RULES DURING HURRICANE EMERGENCIES:

1. ENTER EACH HURRICANE SEASON PREPARED. EVERY JUNE THROUGH NOVEMBER, RECHECK YOUR SUPPLY OF BOARDS, TOOLS, BATTERIES, NON-PERISHABLE FOODS, AND THE OTHER EQUIPMENT YOU WILL NEED WHEN A HURRICANE STRIKES YOUR TOWN.
2. WHEN YOU HEAR THE FIRST TROPICAL CYCLONE ADVISORY, LISTEN FOR FUTURE MESSAGES. THIS WILL PREPARE YOU FOR A HURRICANE EMERGENCY WELL IN ADVANCE OF THE ISSUANCE OF WATCHES AND WARNINGS.
3. WHEN YOUR AREA IS COVERED BY A HURRICANE WATCH, CONTINUE NORMAL ACTIVITIES, BUT STAY TUNED TO RADIO OR TELEVISION FOR ALL NATIONAL WEATHER SERVICE ADVISORIES. REMEMBER, A HURRICANE WATCH MEANS POSSIBLE DANGER WITHIN 24 HOURS; IF THE DANGER MATERIALIZES, A HURRICANE WARNING WILL BE ISSUED. MEANWHILE, KEEP ALERT. IGNORE RUMORS.
4. WHEN YOUR AREA RECEIVES A HURRICANE WARNING, PLAN YOUR TIME BEFORE THE STORM ARRIVES AND AVOID THE LAST-MINUTE HURRY WHICH MIGHT LEAVE YOU MAILED, OR UNPREPARED. REMEMBER, CALM UNTIL THE EMERGENCY HAS ENDED. LEAVE LOW-LYING AREAS THAT MAY BE SWEEPED BY HIGH TIDES OR STORM WAVES. LEAVE MOBILE HOMES FOR MORE SUBSTANTIAL SHELTER. THEY ARE PARTICULARLY VULNERABLE TO OVERTURNING DURING STRONG WINDS. DAMAGE CAN BE MINIMIZED BY SECURING MOBILE HOMES WITH HEAVY CABLES ANCHORED IN CONCRETE FOOTING. MOOR YOUR BOAT SECURELY BEFORE THE STORM ARRIVES, OR EVACUATE IT TO A DESIGNATED SAFE AREA. WHEN YOUR BOAT IS MOORED, LEAVE IT, AND DON'T RETURN ONCE THE WIND AND WAVES ARE UP. BOARD WINDOWS OR PROTECT THEM WITH STORM SHUTTERS OR TAPE. DANGER TO SMALL WINDOWS IS MAINLY FROM WIND-DRIVEN DEBRIS. LARGER WINDOWS MAY BE BROKEN BY WIND PRESSURE. SECURE OUTDOOR OBJECTS THAT MIGHT BE BLOWN AWAY OR UPROOTED. GARBAGE CANS, GARDEN TOOLS, TOYS, SIGNS, PORCH FURNITURE, AND A NUMBER OF OTHER HARMLESS ITEMS BECOME MISSILES OF DESTRUCTION IN HURRICANE WINDS. ANCHOR THEM OR STORE THEM INSIDE BEFORE THE STORM STRIKES. STORE DRINKING WATER IN CLEAN BATHTUBS, JUGS, BOTTLES, AND COOKING UTENSILS; YOUR TOWN'S WATER SUPPLY MAY BE CONTAMINATED BY FLOODING OR DAMAGED BY HURRICANE FLOODS. CHECK YOUR BATTERY-POWERED EQUIPMENT. YOUR RADIO MAY BE YOUR ONLY LINK WITH THE WORLD OUTSIDE THE HURRICANE, AND EMERGENCY COOKING FACILITIES, LIGHTS, AND FLASHLIGHTS WILL BE ESSENTIAL IF UTILITIES ARE INTERRUPTED. KEEP YOUR CAR FUELED. SERVICE STATIONS MAY BE INOPERABLE

FOR SEVERAL DAYS AFTER THE STORM STRIKES, DUE TO FLOODING OR INTERRUPTED ELECTRICAL POWER. STAY AT HOME, IF IT IS STURDY AND ON HIGH GROUND; IF IT IS NOT, MOVE TO A DESIGNATED SHELTER, AND STAY THERE UNTIL THE STORM IS OVER. REMAIN INDOORS DURING THE HURRICANE. TRAVEL IS EXTREMELY DANGEROUS WHEN WINDS AND TIDES ARE WHIPPING THROUGH YOUR AREA. MONITOR THE STORM'S POSITION THROUGH NATIONAL WEATHER SERVICE ADVISORIES.

BEWARE THE EYE OF THE HURRICANE
IF THE CALM STORM CENTER PASSES DIRECTLY OVERHEAD, THERE WILL BE A LULL IN THE WIND LASTING FROM A FEW MINUTES TO HALF AN HOUR OR MORE. STAY IN A SAFE PLACE UNLESS EMERGENCY REPAIRS ARE ABSOLUTELY NECESSARY. BUT REMEMBER, AT THE OTHER SIDE OF THE EYE, THE WINDS RISE VERY RAPIDLY TO HURRICANE FORCE, AND COME FROM THE OPPOSITE DIRECTION.

5. WHEN THE HURRICANE HAS PASSED: SEEK NECESSARY MEDICAL CARE AT RED CROSS DISASTER STATIONS OR HOSPITALS. STAY OUT OF DISASTER AREAS, UNLESS YOU ARE QUALIFIED TO HELP. YOUR PRESENCE MIGHT HAMPER FIRST-AID AND RESCUE WORK. DRIVE CAREFULLY ALONG DEBRIS-FILLED STREETS. ROADS MAY BE UNDERMINED AND MAY COLLAPSE UNDER THE WEIGHT OF A CAR. SLIDES ALONG CUTS ARE ALSO A HAZARD. AVOID LOOSE OR DANGLING WIRES, AND REPORT THEM IMMEDIATELY TO YOUR POWER COMPANY OR THE NEAREST LAW ENFORCEMENT OFFICER. REPORT BROKEN SEWER OR WATER MAINS TO THE WATER DEPARTMENT. PREVENT FIRES. LOWERED WATER PRESSURE MAY MAKE FIRE FIGHTING DIFFICULT. CHECK REFRIGERATED FOOD FOR SPOILAGE IF POWER HAS BEEN OFF DURING THE STORM. REMEMBER THAT HURRICANES MOVING INLAND CAN CAUSE SEVERE FLOODING. STAY AWAY FROM RIVER BANKS AND STREAMS.

TORNADOES SPAWNED BY HURRICANES ARE AMONG THE STORMS' WORST KILLERS. WHEN A HURRICANE APPROACHES, LISTEN FOR TORNADO WATCHES AND WARNINGS. A TORNADO WATCH MEANS TORNADOES ARE EXPECTED TO DEVELOP. A TORNADO WARNING MEANS A TORNADO HAS ACTUALLY BEEN SIGHTED. WHEN YOUR AREA RECEIVES A TORNADO WARNING, SEEK INSIDE SHELTER IMMEDIATELY, PREFERABLY BELOW GROUND LEVEL. IF A TORNADO CATCHES YOU OUTSIDE, MOVE AWAY FROM ITS PATH AT A RIGHT ANGLE. IF THERE IS NO TIME TO ESCAPE, LIE FLAT IN THE NEAREST DEPRESSION, SUCH AS A DITCH OR RAVINE.

HURRICANE WATCHES MEAN A HURRICANE MAY THREATEN AN AREA WITHIN 24 HOURS.

HURRICANE WARNINGS MEAN A HURRICANE IS EXPECTED TO STRIKE AN AREA WITHIN 24 HOURS.

TORNADOS

TORNADO TIPS
A TORNADO WATCH MEANS TORNADOES ARE EXPECTED TO DEVELOP. KEEP A BATTERY-OPERATED RADIO OR TELEVISION SET NEARBY, AND LISTEN FOR WEATHER ADVISORIES—EVEN IF THE SKY IS BLUE. A TORNADO WARNING MEANS A TORNADO HAS ACTUALLY BEEN SIGHTED OR INDICATED BY WEATHER RADAR. SEEK INSIDE SHELTER (IN STORM CELLAR OR REINFORCED BUILDING) AND STAY AWAY FROM WINDOWS. CURL UP SO THAT YOUR HEAD AND EYES ARE PROTECTED. KEEP A BATTERY-OPERATED RADIO OR TELEVISION NEARBY, AND LISTEN FOR FURTHER ADVISORIES.

IN SHOPPING CENTERS, GO TO A DESIGNATED SHELTER AREA (NOT TO YOUR PARKED CAR.) IN HOMES, THE BASEMENT OFFERS THE GREATEST SAFETY. SEEK SHELTER UNDER STURDY FURNITURE IF POSSIBLE. IN HOMES WITHOUT BASEMENTS, TAKE COVER IN THE CENTER PART OF THE HOUSE, ON THE LOWEST FLOOR, IN A SMALL ROOM SUCH AS A CLOSET OR BATHROOM, OR UNDER STURDY FURNITURE. KEEP SOME WINDOWS OPEN, BUT STAY AWAY FROM THEM. IN OFFICE BUILDINGS, GO TO AN INTERIOR HALLWAY ON THE LOWEST FLOOR, OR TO THE DESIGNATED SHELTER AREA.

IN SCHOOLS, FOLLOW ADVANCE PLANS TO AN INTERIOR HALLWAY ON THE LOWEST FLOOR. IF THE BUILDING IS NOT OF REINFORCED CONSTRUCTION, GO

TO A NEARBY ONE THAT IS, OR TAKE COVER OUTSIDE ON LOW, PROTECTED GROUND. STAY OUT OF AUDITORIUMS, GYMNASIUMS, AND OTHER STRUCTURES WITH WIDE, FREESPAN ROOFS.

IN OPEN COUNTRY, MOVE AWAY FROM THE TORNADO'S PATH AT RIGHT ANGLES. IF THERE IS NOT TIME TO ESCAPE, LIE FLAT IN THE NEAREST DITCH OR RAVINE.

MOBILE HOMES ARE PARTICULARLY VULNERABLE TO OVERTURN DURING STRONG WINDS, AND SHOULD BE EVACUATED WHEN STRONG WINDS ARE FORECAST. DAMAGE CAN BE MINIMIZED BY SECURING TRAILERS WITH CABLES ANCHORED IN CONCRETE FOOTING. TRAILER PARKS SHOULD HAVE A COMMUNITY STORM SHELTER AND A WARDEN TO MONITOR BROADCASTS THROUGHOUT THE SEVERE STORM EMERGENCY. IF THERE IS NO SHELTER NEARBY, LEAVE THE TRAILER PARK AND TAKE COVER ON LOW, PROTECTED GROUND.

TORNADOES ARE ONLY ONE OF A THUNDERSTORM'S KILLERS. LIGHTNING IS THE WORST KILLER. STAY INDOORS AND AWAY FROM ELECTRICAL APPLIANCES WHILE THE STORM IS OVERHEAD. IF YOU ARE CAUGHT OUTSIDE, STAY AWAY FROM AND LOWER THAN HIGH, CONDUCTIVE OBJECTS.

THUNDERSTORM RAINS CAUSE FLASH FLOODS. BE CAREFUL WHERE YOU TAKE SHELTER.

THUNDER STORM SAFETY RULES

NATIONAL WEATHER SERVICE
FRIDAY JUNE 9, 1972

THUNDERSTORM SAFETY RULES
1. KEEP AN EYE ON THE WEATHER DURING WARM PERIODS AND DURING THE PASSAGE OF COLD FRONTS. WHEN CUMULUS CLOUDS BEGIN BUILDING UP AND DARKENING...YOU ARE PROBABLY IN FOR A THUNDERSTORM. CHECK THE LATEST WEATHER FORECAST.

2. KEEP CALM. THUNDERSTORMS ARE USUALLY OF SHORT DURATION...EVEN SQUALL LINES PASS IN A MATTER OF A FEW HOURS. BE CAUTIOUS...BUT DO NOT BE AFRAID. STAY IN DOORS AND KEEP INFORMED.

3. KNOW WHAT THE STORM IS DOING. REMEMBER THAT THE MATURE STAGE MAY BE MARKED ON THE GROUND BY A SUDDEN REVERSAL OF WIND DIRECTION...A NOTICEABLE RISE IN WIND SPEED...AND A SHARP DROP IN TEMPERATURE. HEAVY RAIN...HAIL...TORNADOES AND LIGHTNING GENERALLY OCCUR ONLY IN THE MATURE STAGE OF THE THUNDERSTORM.

4. CONDITIONS MAY FAVOR TORNADO FORMATION. TUNE IN YOUR RADIO OR TELEVISION RECEIVER TO DETERMINE WHETHER THERE IS A TORNADO WATCH OR TORNADO WARNING OUT FOR YOUR AREA. A TORNADO WATCH MEANS TORNADO FORMATION IS

LIKELY IN THE AREA COVERED BY THE WATCH. A TORNADO WARNING MEANS ONE HAS BEEN SIGHTED OR RADAR INDICATED IN YOUR AREA. IF YOU RECEIVE A TORNADO WARNING...SEEK INSIDE SHELTER IN A STORM CELLAR...BELOW GROUND LEVEL...OR IN REINFORCED CONCRETE STRUCTURES. STAY AWAY FROM WINDOWS.

5. LIGHTNING IS THE THUNDERSTORM'S WORST KILLER. STAY INDOORS AND AWAY FROM ELECTRICAL APPLIANCES WHILE THE STORM IS OVERHEAD. IF LIGHTNING CATCHES YOU OUTSIDE...REMEMBER THAT IT SEEMS THE EASIEST...NOT NECESSARILY THE SHORTEST...DISTANCE BETWEEN POSITIVE AND NEGATIVE CENTERS. KEEP YOURSELF LOWER THAN THE NEAREST HIGHLY CONDUCTIVE OBJECT...AND MAINTAIN A SAFE DISTANCE FROM IT. IF THE OBJECT IS A TREE...TWICE ITS HEIGHT IS CONSIDERED A SAFE DISTANCE.

6. THUNDERSTORM RAIN MAY PRODUCE FLASH FLOODS. STAY OUT OF DRY CREEK BEDS DURING THUNDERSTORMS. IF YOU LIVE ALONG A RIVER...LISTEN FOR FLASH FLOOD WARNINGS FROM THE NATIONAL WEATHER SERVICE.

THE BAY ST. LOUIS CIVIL DEFENSE COUNCIL WOULD LIKE TO TAKE THIS OPPORTUNITY AND MEANS OF COMMUNICATION TO INFORM YOU OF THE ANSWERS TO THE ABOVE QUESTIONS.

WE ASK THAT YOU READ CAREFULLY THE OUTLINED INFORMATION AND KEEP IN A READILY ACCESSIBLE PLACE FOR FUTURE REFERENCE. WE ENCOURAGE YOU TO READ IT OFTEN AND BECOME COMPLETELY FAMILIAR WITH ALL THE INFORMATION IT CONTAINS AS IT MAY WELL BE THE MEANS TO SELF-PRESERVATION.

IN THE EVENT OF A NATURAL DISASTER THE BAY ST. LOUIS CIVIL DEFENSE WILL FOLLOW AS CLOSE AS

POSSIBLE ALL STEPS OUTLINED. THE MAIN EVACUATION CENTER WILL BE THE BAY ST. LOUIS JUNIOR HIGH SCHOOL BUILDING LOCATED ON SECOND STREET BETWEEN ULMAN AND CARROLL AVENUES. (OTHER SHELTER AREAS ARE PROVIDED FOR IF NEEDED.)

WE CANNOT IMPRESS UPON YOU ENOUGH THE URGENT NEED FOR COMPLETE COOPERATION DURING THE TIME OF EMERGENCY. PLEASE HEED THE WARNINGS AND INSTRUCTIONS GIVEN DURING THESE TIMES SINCE THEY ARE RELEASED SOLELY FOR YOUR PROTECTION AND WELL BEING.

PLEASE REMEMBER THAT CIVIL DEFENSE IS NOT A

SPECIAL UNIT OR GROUP OF PEOPLE STANDING BY TO SAVE THE DAY IN CASE OF A MAJOR DISASTER, BUT JUST THE NORMAL FORCES OF GOVERNMENT, PLUS NON-GOVERNMENTAL PERSONNEL WITH SPECIAL NEEDED SKILLS, SUCH AS DOCTORS, ETC., RESPONDING TO AN UNUSUAL EMERGENCY CONDITION.

KURT MALONEY holds the 35-pound drum he caught at Half-Moon near Bayou Caddy. Kurt is the son of Mr. and Mrs. Robert Maloney who have a summer home in Waveland. The Maloneys reside in New Orleans.

CAKE SALE

Theodore S. Price Post 3253 VFW Ladies Auxiliary will hold a Fathers' Day cake sale Saturday, June 17, in front of Winn-Dixie.

ECOLOGY CENTER

The Neighborhood Ecology Center will meet Wednesday at 8 p.m. at the Gulf National Bank meeting room. Sessions Hootzell of the Serra Club will

address the meeting and will provide a slide presentation. The public is invited to attend.

ATTENDS CONFERENCE

Fred Curet, owner of Curet Patrol, Inc., recently attended an International Security Conference in Chicago, Illinois. Among the topics discussed were those concerning retail security, guard force training and industrial security.

Brother Lee Barker, principal of St. Stanislaus High School in Bay St. Louis, Mississippi, has named three new members to the faculty of St. Stanislaus for the 1972-73 school session. The new faculty members are Mrs. Joseph Gex, Mr. Sylvan Ladner, and Miss Susan Ryan.

MRS. JOSEPH GEX

MISS SUSAN RYAN

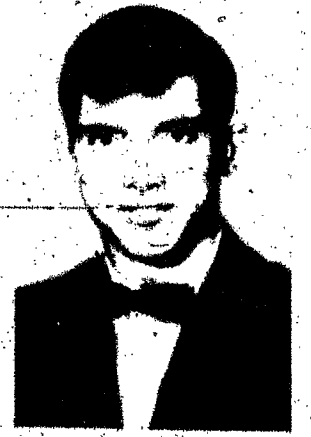

master's degree in library science in 1968 from the University of Mississippi. She was the librarian at the State Technical Institute in Memphis in 1968-69.

Sylvan, the son of Mr. and Mrs. Sylvan Ladner, Jr. of 320 Carroll Avenue in Bay St. Louis, will teach math and science and he will assist in the coaching of football and basketball. He is a 1968

graduate of St. Stanislaus and has a bachelor of science degree in Physical Education from William Carey College.

Miss Ryan, the daughter of Mr. and Mrs. James A. Ryan of Bay St. Louis, will teach reading at St. Stanislaus. Susan is a 1967 graduate of St.

Joseph's Academy in Bay St. Louis, and she received a bachelor of science degree in elementary education from Mississippi Southern in 1971. In August, 1972, she will receive a master of science degree in Reading from the University of Southern Mississippi. She is presently a member of the International Reading Association.

SYLVAN LADNER

WEIGHT WATCHERS

Mrs. Jean Weathersby has been appointed area Supervisor of Weight Watchers of Southern Mississippi Inc.

Mrs. Weathersby will be in charge of classes in Bay St. Louis, Gulfport, Biloxi, Ocean Springs, Pascagoula and soon-to-be classes in Lucedale and Wiggins.

Weight Watchers began a year ago on the coast and Mrs. Weathersby has been a member since it started.

Weight Watchers meet every Tuesday night at 7 p.m. in Gulf National Bank Civic Room.

Yacht Club Retains Chapman

Dominating each of the four races, the Bay-Waveland Yacht Club sailing team showed remarkable strength while repeating as victors in the Chapman Regatta.

The Chapman, held annually to determine the championship of the Mississippi Coast Yachting Association, was hosted by Pass Christian Yacht Club June 10 and 11.

Five competing Yacht Clubs entered four Flying Scots in each race, with different skippers for each race to provide colorful sights for the spectators afloat and ashore. The Regatta was held under almost ideal racing conditions.

Garnering thirteen out of the sixteen award-winning places in the series, the Bay Waveland team accumulated an unprecedented 286 1/2 points. Biloxi Yacht Club had to fight off a strong finish by Gulfport Yacht Club for runner-up honors, 185 to 168 1/2 points.

Quickly establishing their winning pattern, the Bay Waveland team finished first, second, third and seventh in the first race. Ann Chapman Stieffel, one of six members of the Chapman family who competed in the Regatta, led all skippers Saturday for her second victory in a row in the first race. Able youngsters Bubby Eagan and Ellen Eagan took second and third place honors ahead of fourth place finisher Baltar Holland of

Biloxi Yacht Club.

Saturday afternoon brought brisk southwest winds, a strong ebb tide, and a sprinted battle for first place between Bubba Weatherly of Gulfport Yacht Club, Marc Eagan, and Bill Merlin of Bay-Waveland. Bubba proved the master of the ebb tide and finished first for Gulfport, with Marc Eagan, Bill Merlin, John Christensen, and Woody Santa Cruz providing a solid second through fifth finish in that order for the champions.

The Bay Waveland team, swept the third race by finishing in the top four spots to gain an insurmountable lead Sunday morning. Woody Stieffel showed the way through the southeast breezes by rounding the first windward Marchwell ahead of all com-

petitors. Don Chamberlain and Jack Gordon quickly followed Woody around the marks, and the three were never threatened after the second mark.

Harry Chapman provided the onlookers with thrills as he moved from sixth to fourth place in a see-saw battle on the last two legs. With excellent spinnaker work, Harry passed Ellen Andre of Gulfport Yacht Club to clinch the clean sweep.

Charlie Stackle quickly showed why he is feared in heavy winds by jumping out to a concerning lead in the last race. Chuck Breath kept Charlie from relaxing by finishing a strong second. The fight for third place provided Kergosen for the Champions, several breathless moments for the spectators as Paul Bill Teggert of Gulfport Yacht Club.

passed Ray Stieffel on the fifth leg and held off a determined charge by Ray on the last leg to take third place by only nine feet.

Pass Christian Commodore John Dugar presided at the awards ceremony and was assisted by Harry Chapman, who represented the Chapman family for this event.

Winning team Captain Bill Merlin received the perpetual Chapman Trophy, and Bay-Waveland Commodore Bill Whitfield received a first place plaque. Winning crew members who were awarded trophies were Woody Stieffel, Chris Stieffel, Bubby Eagan, Chip Merlin, and Kay fight for third place provided Kergosen for the Champions, several breathless moments for the spectators as Paul Bill Teggert of Gulfport Yacht Club.

? ? ? ? ? ? ? ? ? ?

See next week's paper

The weather for the past week was plenty hot. In fact, too hot for both people and fish. 101 degrees were registered for three consecutive days. Bass fishing especially was affected as they feed near the bank in shallow water and go to deeper water when the water gets too hot. However they were hitting late in the evening between 5 and 8:30 p.m. and were gotten most everywhere in good water. Early morning fishing also paid off when the tides were low.

As for speckle trout they have been caught mostly in outside waters. For instance out in the Louisiana marshes, Telegraph Key, Half Moon and Pole Cat Bend according to Harry Roman, Louis Decell, Sheldon Seuzeneau and others going out that way. Big fish such as lemon, king mackerel, etc. were caught way out from Chandeller Islands, 30 miles off shore. If you want to catch them you must have a big boat. They can be chartered at Biloxi and further down the coast. Bayou La Batre, etc. These spots are strictly for deep sea fishermen.

Among those catching fresh water fish, bass and perch, we have reports of some good

Everyone is catching croakers most everywhere, right up Jordan River along the seawall down Cedar Point and Bayou Caddy way. Big croakers are good eating any old time. Quite a number of flounders are also being caught in many places right now. Fresh shrimp, used as bait, is paying off and they will hit the smoky shrimp bait by casting.

Frogs are plentiful most everywhere and are caught with a head light in most lakes and ponds, also small bayous.

A few flounders are being speared but soft crabbing is still not too hot yet. A few have been caught by the hardest. Hard crabs are starting. The best bait for catching them is

SPORTSMAN OF THE WEEK
EVERYONE KNOWS ROY BAXTER owner of Pearl River Marina. Roy has been a fisherman all his life but can't fish much now. He is too busy taking care of his customers and keeping them happy. Meet Roy you'll like him.

fish heads, chicken necks and meat. Save fish heads from the ones you catch. They can be frozen and used anytime.

Al Mercier and sons, Father Joe and Mike reported catching some Spanish Mackerel out from Pascagoula last week.

W. Jack Herrington from Hattiesburg brought down his new boat, a beauty and expects to do quite a lot of salt water fishing this summer. He has a home in Shoreline Park. Enjoys any kind of fishing.

Met Leon J. "Lonnie" O'Neal, another ardent fisherman. He is from Biloxi. Lonnie, besides being a Professional Bail Bondsman, has a sporting goods store handling all kinds of fishing tackle, etc.

Adam Larmen, Nick Schneider and George Lewis make up a real fishing threesome. George has completely renovated his boat and it is in tip top shape for some good fishing trips from now on.

Something to look forward to is the 5th Annual Chandelur Ho Fishing Rodeo coming up on June 16-17-18. Something new has been added for the 1972 rodeo, the registration fee has been lowered this year to \$5 for adults, \$2.50 for children under 16 years of age. This entrance fee besides entitling you to fish in the competition for 3 days will include a free Chandelur Ho fishing cap, brochure and a chance on a boat, motor and trailer to be awarded as an entrance prize.

Larry LeBon is president and Bob Denie, Executive director. Gadabout Gadus, nationally known television fishing personality will be on hand and fish in the tournament. There will be plenty of entertainment and prizes for those who enjoy fishing. Make plans to attend.

Another up-coming event will be the 25th wedding anniversary of Mr. and Mrs. James A. Ryan on Sunday, June 18th. Reception following at Trapani's Shamrock Room. Happy Anniversary folks.

Everyone has been waiting to hear that flounders are giving. Spearing some the past week was Owen Heitzman who got 11 just beyond Bayou Caddy. Owen is an old time flounder and knows how and where to get them. He has been getting them for years as well as soft crabs.

Another flounderer is Harold Garcia of Clermont Harbor. Harold caught some one night last week. Folks now days don't remember when an old time kerosene light was used to spear flounders. Harold used one and still has it. The light consisted of a shoulder band, a gallon tank of kerosene with a 1/4 inch pipe perforated and wrapped with asbestos, controlled by a valve. This type of light penetrated the water better than a Coleman lantern but was rather dirty if one didn't know how to use it. That is the way us old time flounderers started flounder fishing. We caught as many as 50 and up each night.

The blessing of the local shrimp boats was held last Sunday in front of the American Legion Pier and St. Stanislaus Pier. The boats were decorated at Bayou Caddy and wound their way to Bay St. Louis. Father Kelly was assisted by Rev. Charles Johnson in blessing the fleet.

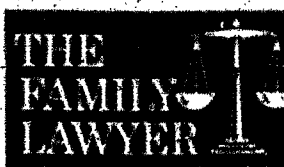

The local shrimp season opened at noon on June 14th. This was good news to fishermen who use shrimp for bait and those who use them for eating purposes. They are running pretty good size.

When one meets Bill Stewart it brings back old memories of the good times aboard the Show Boat which Bill operated on Jourdan River before Camille. The Show Boat has "Gone With the Wind." We need another one like it.

Jack and Doris Seuzeneau

WESLEY I. MCFARLAND, JR. son of Dr. W.L. McFarland and Mrs. Rosemary McFarland of Bay St. Louis is a 1972 graduate of Bay Senior High School. Wesley plans on attending Pearl River Junior College this fall. (pd. adv.)

Neighbors at Odds

Grouchy Mrs. Baxter, an apartment dweller, had two reasons for cooking cabbage so often. First, she liked cabbage. Second, she liked to wait the cooking odors out of her open kitchen door, into the apartment of the new neighbors across the hall.

When the neighbors finally haled her into court, Mrs. Baxter insisted she had a right to cook whatever and however she pleased.

But the court ruled that she was guilty of committing a nuisance, by maliciously inflicting discomfort on others.

Psychologists tell us that hostility grows as living space shrinks. One of the law's toughest tasks is to mediate between neighbors at odds. And, the above case indicates, civil intent may make the big difference in court.

This is shown even more clearly by the law's changing attitudes toward spite fences. Such fences, erected deliberately to block off the daylight from a neighbor's house, used to be tolerated as a lawful exercise of property rights.

are pleasant owners of Cher's Restaurant and Lounge, Railroad Ave. The restaurant is a popular place. Many fishermen gather in the lounge to talk over their catches and mention the big one that got away. Pops Seuzeneau is the genial bartender.

Fried fish and potato salad are enjoyed at Clarise's Bar each week. The fish are caught by Gene Dorman and Ethel, his wife. Gene fries the fish and Ethel makes the salad. Their friends enjoy their generosity. Keep up the good work, folks!

Jim Ingersoll catches lots of speckles from the off shore rigs out by Lonesome Bayou at Main Pass Blocks 69 and 41. Jim works for Chevron Oil Co. and when on off time catches big speckles, fishing at night. He says there are some big fish out in "them parts."

CARD OF THANKS

The Waveland Volunteer Fire Department wish to take this opportunity to thank Mr. August Ladner and family and Mr. Jimmie Ladner and family of Ladner's Friendly Inn in Ansley for their wonderful cooperation in the Softball Tournament held for us at their Ball Park. Also wish to thank everyone else and members of this department for their help. It was a success. Again, our sincere "thanks".

Funds Needed For Recent Flood Victim

As with other American Red Cross chapters in the nation, the Hancock County Chapter of the American Red Cross has their quota to meet to those in the terrible flood disaster in Rapid City, South Dakota.

One of the greatest largest missions of the Red Cross is to help the relief mitigate suffering caused disasters.

All of the activities of American Red Cross and chapters support these du and humane needs.

"All of us here on the Coast know what a tremendous help the National Red Cross was to us when 'Cane struck', emphasized a Red Cross worker. "So now us think of those in Rapid who have lost loved ones their earthly possessions responding to their need the Red Cross responded by contributing what amount - whether great small."

All checks should be made to: American Red Cross Hancock County, P.O. Box Bay St. Louis, Miss. 39521. Please note on the check it is for Rapid City Relief Fund. Your contribution is deductible.

Fair Group Plans Rodeo

A "Wild West Rodeo" will be held June 30 and July 1 at Hancock County Fairgrounds in Bay St. Louis.

The rodeo, which is sponsored by the Hancock County Fair and Live Stock Association, will begin 7 p.m. and includes such events as bareback bronc riding, roping, barrel racing, wrestling, Brahma bull wild horse racing and c and specialty acts.

Local participants may be calling 467-7866 between a.m. and noon June 29.

Advance tickets for public are on sale at Ant Men's Wear, Restaurant, Waveland Shop, Kiln Supermarket the Farm Bureau office in
